

scheduled quantity at an hourly rate that exceeds  $\frac{1}{24}$ th of such scheduled quantity. FT-H service will be available on an open access, non-discriminatory basis to all shippers who meet the eligibility requirements for such service.

Tennessee states that under Rate Schedule FT-H, Tennessee will transport natural gas for a shipper up to a specified daily transportation quantity (TQ) and allow the shipper to take delivery of its scheduled quantity up to a specified maximum hourly delivery quantity (MHQ). Under Rate Schedule FT-H, the MHQ must be no less than  $\frac{1}{18}$ th of the TQ and no greater than  $\frac{1}{4}$ th of the TQ. Tennessee will provide the FT-H service only after it determines that it has sufficient uncommitted capacity to perform the service requested by a shipper. The FT-H service will not degrade the firm primary rights of any of Tennessee's existing firm shippers. Rate Schedule FT-H service will have the same scheduling and curtailment priority as Tennessee's other firm transportation services.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
