On September 29, 2020, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Colorado in the lawsuit entitled *United States and the State of Colorado v. TCI Pacific Communications, LLC*, Civil Action No. 1:20–cv–02939–KLM.

The proposed Consent Decree would resolve claims the United States and State of Colorado have brought pursuant to Sections 106, 107(a) and 113(g)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (“CERCLA”), 42 U.S.C. 9606, 9607(a) and 9613(g)(2), against TCI Pacific Communications, LLC (“TCI”) related to Operable Unit 1 (“OU1”) of the Eagle Mine Superfund Site (“Site”) located approximately five miles south of Minturn, Colorado.

The Consent Decree requires TCI to meet water treatment standards for arsenic and other metals at the Site’s water treatment plant, collect and treat contaminated groundwater from defined areas, obtain institutional controls to restrict activities that would interfere with the remedy, conduct defined operation and maintenance activities, and pay future EPA response costs.

The Consent Decree provides TCI and certain related persons covenants not to sue relating to the OU1 under Sections 106 and 107 of CERCLA, 42 U.S.C. 9606 and 9607.

Employment and Training Administration

Notice of a Change in Status of an Extended Benefit (EB) Program for Wyoming

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

This notice announces a change in benefit period eligibility under the EB program for Wyoming.

The following change has occurred since the publication of the last notice regarding the State’s EB status:

- Wyoming’s 13-week insured unemployment rate (IUR) for the week ending August 15, 2020, was 4.99 percent, falling below the 5.00 percent threshold necessary to remain “on” EB.

- However, Wyoming’s mandatory 13-week “on” period does not expire until September 19, 2020. Therefore, the EB period for Wyoming will end on September 19, 2020. The state will remain in an “off” period for a minimum of 13 weeks.

Information for Claimants

The duration of benefits payable in the EB Program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the states by the U.S. Department of Labor. In the case of a state ending an EB period, the State Workforce Agency will furnish a written notice to each individual who is currently filing claims for EB of the forthcoming termination of the EB period and its effect on the individual’s right to EB (20 CFR 615.13(c)).
