AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that certain producers and/or exporters made sales of refillable stainless steel kegs (kegs) at less than normal value and that one company had no shipments of subject merchandise during the period of review (POR) December 13, 2019, through November 30, 2020. Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable January 5, 2022.

SUPPLEMENTARY INFORMATION:**Background**

On December 16, 2019, we published in the **Federal Register** an antidumping duty order on kegs from the People's Republic of China (China).¹ On December 2, 2020, we published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.² On February 4, 2021, based on timely requests for an administrative review, Commerce initiated the administrative review of the antidumping duty order on kegs.³ The administrative review covers 30 companies, which includes the mandatory respondent, Guangzhou Ulix Industrial & Trading Co., Ltd. (Ulix).⁴

Scope of the Order

The products covered by this *Order* are refillable stainless steel kegs. A full description of the scope of the *Order* is provided in the Preliminary Decision Memorandum.⁵

Preliminary Determination of No Shipments

One company that received a separate rate in previous segments of the proceeding and is subject to this review did not have any exports of subject merchandise during the POR.⁶ Based on information on the record, we preliminarily determine that Guangzhou Jingye Machinery Co., Ltd. (Jingye)'s had no shipments of subject merchandise during the POR. Consistent

with our practice in non-market economy (NME) cases, we are not rescinding this review with respect to these companies but, rather, intend to complete the review and issue appropriate instructions to CBP based on the final results of the review.⁷ For additional information regarding these preliminary determinations, see the Preliminary Decision Memorandum.

China-Wide Entity

Under Commerce's policy regarding the conditional review of the China-wide entity,⁸ the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review, and the entity's rate (*i.e.*, 77.13 percent) is not subject to change.⁹ Aside from the no-shipment companies discussed above, Commerce considers all other companies for which a review was requested (none of which filed a separate rate application) listed in Appendix II to this notice, to be part of the China-wide entity.¹⁰

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. Preliminary Results of the Administrative Review

Commerce preliminarily determines that the following weighted-average dumping margin exists for the administrative review covering the period December 13, 2019, through November 30, 2020:

Exporters	Weighted-average dumping margin (percent)
Guangzhou Ulix Industrial & Trading Co., Ltd	0.00

Disclosure

Commerce intends to disclose to parties to the proceeding the calculations performed for these preliminary results of review within five days of the date of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

Public Comment

Because Commerce intends to request additional information after these preliminary results, interested parties will be provided an opportunity to submit written comments (case briefs) at a date to be determined by Commerce and rebuttal comments (rebuttal briefs) within seven days after the time limit for filing case briefs.¹¹ Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs.¹² Commerce modified certain of its requirements for serving documents containing business proprietary information until further notice.¹³ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁴

¹¹ See 19 CFR 351.309(c)(1)(ii) and 351.309(d)(1). Interested parties will be notified through ACCESS regarding the deadline for submitting case briefs; see also 19 CFR 351.303 (for general filing requirements); *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19*, 85 FR 17006 (March 26, 2020); and *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020)).

¹³ See *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020).

¹⁴ See 19 CFR 351.309(c)(2) and (d)(2) and 19 CFR 351.303 (for general filing requirements).

Unless the deadline is extended, Commerce intends to issue the final results of this review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon issuing the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁵ If the preliminary results are unchanged for the final results, we will instruct CBP to apply an *ad valorem* assessment rate of 77.13 percent to all entries of subject merchandise during the POR which were exported by the companies listed in Appendix II of this notice. If Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the China-wide rate.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the subject merchandise exported by the company listed above that has a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this administrative review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding,

the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these PORs. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1)(B), 751(a)(3) and 777(i) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: December 29, 2021.

Deputy Assistant Secretary for Policy and Negotiations, Performing the Non-Exclusive Functions and Duties of the Assistant Secretary for Enforcement and Compliance.
