For ease of understanding:

\* Average Burden Hour per Response are provided in actual minutes.

\*\* Total Annual Burden (Current) are provided in hours.

Annual number of respondents and average burden hour were factored based on total IHS providers credentialed and privileged Calendar Year (CY) 22, accreditation requirements with estimates of verification per applicant, and respondent estimate time of completion in the paragraphs above.

There are no capital costs, operating costs, and/or maintenance costs to respondents.

*Requests for Comments:* Your written comments and/or suggestions are invited on one or more of the following points:

(a) Whether the information collection activity is necessary to carry out an agency function;

(b) Whether the agency processes the information collected in a useful and timely fashion;

(c) The accuracy of the public burden estimate (the estimated amount of time needed for individual respondents to provide the requested information);

(d) Whether the methodology and assumptions used to determine the estimates are logical;

(e) Ways to enhance the quality, utility, and clarity of the information being collected; and

(f) Ways to minimize the public burden through the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
