BILLING CODE 4310-01-P

DEPARTMENT OF THE INTERIOR

Geological Survey

National Earthquake Prediction Evaluation Council

AGENCY: U.S. Geological Survey, Department of the Interior.

ACTION: Notice of Meeting.

SUMMARY: Pursuant to Public Law 96-472, the National Earthquake Evaluation Council (NEPEC) will hold a 1-day workshop on May 18, 2007, and a short meeting on May 19, 2007. The workshop will be held at the Portland State Office Building, 1st Floor, Room 1D, 800 NE Oregon Street, Lloyd District, Portland, Oregon. On May 19, the short meeting will be held at the Double Tree Hotel, Lloyd Center, 1000 NE Multnomah, Portland, Oregon. The Committee is comprised of members from academia and the Federal Government. The Committee shall advise the Director of the U.S. Geological Survey (USGS) on proposed earthquake predictions, on the completeness and scientific validity of the available data related to earthquake predictions, and on related matters as assigned by the Director.

At the 1-day workshop on May 18, the Committee will discuss with scientific experts the evidence for and nature of episodic nonvolcanic tremor and aseismic creep events and their possible relation to seismic slip on the Cascadia subduction interface and will discuss with emergency managers how the aseismic slip events and other earthquake-related phenomena in Cascadia should be communicated to the public. At the meeting on May 19, the Committee will review the

workshop findings and compose recommendations to the USGS on what type of public information might be most appropriate and effective when episodic tremor and creep events are detected, and the Committee will receive brief updates on previous discussion topics.

Workshops and meetings of the National Earthquake Prediction Evaluation Council are open to the public. A draft workshop agenda is available on request (contact information below). In order to ensure sufficient seating and hand-outs, it is requested that visitors pre-register by May 11. Members of the public wishing to make a statement to the Committee should state that intentions so that time may be allotted in the agenda.

DATES: May 18, 2007, commencing at 8:30 a.m. and adjourning at 5 p.m., and May 19, 2007, commencing at 8 a.m. and adjourning at noon.

Contact: Dr. Michael Blanpied, Executive Secretary, National Earthquake Prediction Evaluation Council, U.S. Geological Survey, MS 905, 12201 Sunrise Valley Drive, Reston, Virginia 20192, (703) 648-6696, mblanpied@usgs.gov.

Dated: May 8, 2007.

Linda Gundersen,

Acting Associated Director for Geology.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[OMB Number 1117-0023]

Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 60 day emergency notice of information collection under review import/export declaration for list i and list ii chemicals DEA form 486.

The Department of Justice, Drug Enforcement Administration (DEA), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with emergency review procedures of the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. If granted, the emergency approval is only valid for 180 days. Comments should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention:

Department of Justice Desk Officer, Washington, DC 20503. Comments are encouraged and will be accepted for 10 days until May 21, 2007.

If you have comments, especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Mark W. Caverly, Chief, Liaison and Policy Section, Office of Diversion Control, Drug Enforcement Administration, Washington, DC 20537.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this Information Collection

(1) *Type of Information Collection:* Extension of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Import/Export Declaration for List I and List II Chemicals.

(3) *Agency form number, if any, and the applicable component of the Department sponsoring the collection:*

Form number: DEA Form 486.

Component: Office of Diversion Control, Drug Enforcement Administration, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.

Other: None.

Abstract: Persons importing, exporting, and conducting international transactions with List I and List II chemicals must notify DEA of those transactions in advance of their

occurrence, including information regarding the person(s) to whom the chemical will be transferred and the quantity to be transferred. For importations, persons must also provide return declarations, confirming the date

of the importation and transfer, and the amounts of the chemical transferred. This information is used to prevent shipments not intended for legitimate purposes.

(5) *An estimate of the total number of respondents and the amount of time*

estimated for an average respondent to respond: A respondent may submit multiple responses. The below table presents information regarding the number of respondents, responses, and associated burden hours.

	Number of respondents	Number of responses	Average time per response	Total (hours)
Form 486 (export)	239	7,995	0.2 hour (12 minutes)	1,599
Form 486 (Export Return Declaration)	239	7,995	0.08 hour (5 minutes)	666.25
Form 486 (import)	230	2,398	0.25 hour (15 minutes)	599.5
Form 486 (import return declaration)*	230	2,638	0.08 hour (5 minutes)	219.8
