

environment. The results of this administrative process are contained in a series of planning and decision documents that have been published for public review under CERCLA and the CWA. Natural resource damages received, either through negotiated settlements or adjudicated awards, must be used to restore, rehabilitate, replace and/or acquire the equivalent of those natural resources that have been injured. The Plan addresses the Trustees' overall approach to restore, rehabilitate, replace or acquire the equivalent of natural resources injured by the release of PCBs into the Lower Fox River and Green Bay environment.

On September 19, 2002, the Service published in the **Federal Register** (67 FR 59073) a Notice of Availability commencing a 30-day public comment period on the draft document entitled, "Joint Restoration Plan and Environmental Assessment for the Lower Fox River and Green Bay Area". Comments received during the above public comment period were incorporated into a final document (The Plan). This current Notice of Availability informs the public that the Service has formally selected Alternative C of the The Plan through the signing of a Finding of No Significant Impact (FONSI).

Authority: 42 U.S.C. 4321-4347.

Dated: June 24, 2003.
