SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection:

Manufactured Housing Survey.

OMB Approval Number: 2528–0029.

Type of Request: Extension of a currently approved collection.

Form Number: C–MH–9A.

Description of the need for the information and proposed use: The Manufactured Housing Survey collects data monthly on the characteristics of newly manufactured homes placed for residential use. Key data collected includes sales price and the number of units placed and sold. A letter is sent to the dealer—4 months after the—shipment date. Other selected housing characteristics collected include size, location, and titling. HUD uses the statistics to respond to a Congressional mandate in the Housing and Community Development Act of 1980, 42 U.S.C. 5424 note, which authorizes HUD to use its discretion to take actions necessary ensure that the public is fully aware of the distinctions between the various types of manufactured housing. Accordingly, HUD collects, reports manufactured home sales, and price information for the nation, census regions, states, and selected metropolitan areas and monitors whether new manufactured homes are being placed on owned rather than rented lots. HUD also used these data to monitor total housing production and its affordability. Furthermore, the Manufactured Housing Survey serves as the basis for HUD's mandated indexing of loan limits.
