

requirements set forth in subpart G of the rule. There are four grounds of appeal in 24 CFR 990.245 under which PHAs may appeal the amount of their subsidy. They are: a streamlined appeal; an appeal for specific local conditions; an appeal for changing market conditions; and an appeal to substitute actual project cost data. To appeal the amount of subsidy on any one of these permitted bases of appeal, PHAs submit a written appeal request to HUD and appeal must cover an entire portfolio (not single projects). However, HUD has the discretion to accept appeals of less than an entire portfolio for PHAs with greater than 5,000 public housing units. Additional requirements with respect to certain appeals are covered by 24 CFR 990.250.

DATES: The National Park Service intends that the concession contract extensions, continuations, temporary concession contracts will be effective on the dates shown in the tables below, as applicable.

FOR FURTHER INFORMATION CONTACT: Kurt Rausch, Program Chief, Commercial Services Program, National Park Service, 1849 C Street NW, Mail Stop 2410, Washington, DC 20240; Telephone: 202–513–7156.

SUPPLEMENTARY INFORMATION: The concession contracts listed in table 1 below will expire by their terms on or before October 31, 2023. Under 36 CFR

51.23 the National Park Service proposes to extend each contract until the date shown in the “Extension Expiration Date” column or until the effective date of a new contract, whichever comes first. The National Park Service has determined that the proposed extensions are necessary to avoid an interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid such an interruption. The concession contracts listed in table 2 below have been extended for the maximum time allowable under 36 CFR 51.23. Under the provisions of the existing contracts and pending the issuance of prospectuses and the completion of the public solicitation process to award new concession contracts, the National Park Service intends to continue the existing contracts for a period not to exceed one

year beginning on January 1, 2023. Except for their expiration dates, the terms and conditions of the existing contracts will remain unchanged. The continuation of the existing contracts does not confer or affect any rights with respect to the award of new concession contracts.

The National Park Service proposes awarding temporary concession contracts, in accordance with 36 CFR 51.24(a), to provide the visitor services currently provided under the contracts listed in table 3 below. Each temporary contract will have a term not to exceed three years, and each will be awarded to a qualified person. The National Park Service anticipates that the temporary contracts will be effective on the dates shown in the “Effective Date” column. This notice is not a request for proposals.
