The Commission found that both the domestic and respondent interested party group responses from Ukraine to its notice of institution (88 FR 75029, November 1, 2023) were adequate, and determined to conduct a full review of the order on imports from Ukraine. The Commission also found that the respondent interested party group response from China was inadequate but determined to conduct full review of the order on imports from that country in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to Ukraine. A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.

Clad Steel Plate From Japan; Scheduling of an Expedited Five-Year Review

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of an expedited review pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping duty order on clad steel plate from Japan would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: February 5, 2024.

FOR FURTHER INFORMATION CONTACT:

Alexis Yim (202–708–1446), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On February 5, 2024, the Commission determined that the domestic interested party group response to its notice of institution (88 FR 75026, November 1, 2023) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on March 11, 2024. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party

other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before 5:15 p.m. on March 14, 2024 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by March 14, 2024. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined this review is extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Act; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: February 15, 2024.

Secretary to the Commission.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Henry Manning Pickett, M.D.; Default Decision and Order

On July 10, 2023, the Drug Enforcement Administration (DEA or Government) issued an Order to Show Cause and Immediate Suspension of Registration (OSC/ISO) to Henry Manning Pickett, M.D., (Respondent) of Lakewood, Colorado. Request for Final Agency Action (RFAA), Exhibit (RFAAX) 1, at 1. The OSC/ISO informed Respondent of the immediate suspension of his DEA Certificate of Registration, Control No. AP1388948, pursuant to 21 U.S.C. 824(d), alleging that Respondent's continued registration constitutes "an imminent danger to the public health or safety." *Id.* (quoting 21 U.S.C. 824(d)). The OSC/ISO also proposed the revocation of Respondent's registration, alleging that Respondent's continued registration is inconsistent with the public interest. *Id.* (citing 21 U.S.C. 823(g)(1), 824(a)(4)).

The OSC/ISO notified Respondent of his right to file with DEA a written request for hearing within 30 days after the date of receipt of the OSC/ISO; the OSC/ISO also notified Respondent that if he failed to file such a request, he would be deemed to have waived his right to a hearing and be in default. *Id.* at 8–9 (citing 21 CFR 1301.43). Here, Respondent filed an untimely request for hearing on August 17, 2023,¹ and within his request for hearing, failed to answer the allegations contained in the OSC/ISO as required by 21 CFR 1301.43. *See* RFAAX 3. On August 17, 2023, Chief Administrative Law Judge John J. Mulrooney, II, (the Chief ALJ) issued an Order requiring Respondent to, among other things, answer the allegations by August 23, 2023. *See* RFAAX 4. Respondent failed to file answers to the allegations or to otherwise respond to the order. Ultimately, the Chief ALJ determined that Respondent was in default, and on August 28, 2023, issued an Order Terminating Proceedings. *See* RFAAX 5. "A default, unless excused, shall be deemed to constitute a waiver of the registrant's/applicant's right to a hearing

¹ Based on the Government's submissions in its RFAA dated August 29, 2023, the Agency finds that service of the OSC/ISO on Registrant was adequate and rendered on July 11, 2023. Specifically, on August 23, 2023, the Government filed a Notice of Service and Motion to Dismiss Request for Hearing as Untimely and to Terminate Proceedings, which included as an attachment the Declaration of a DEA Diversion Investigator asserting that on July 11, 2023, Registrant was personally served with the OSC/ISO at his registered address. RFAAX 2, at 1, 3, 13.
