Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Applications and Reporting Requirements for Small Takes of Marine Mammals by Specified Activities Under the Marine Mammal Protection Act. Form Number(s): None.

OMB Approval Number: 0648-0151. Type of Request: Regular submission. Burden Hours: 7.512.

Number of Respondents: 44.

Average Hours Per Response: 483 hours for a request for new or renewal of regulations, 25.8 hours for an application for a Letter of Authorization, 200 hours for an application for Incidental Harassment Authorizations, 120 hours for a report for Incidental Harassment, and 93.6 hours for a report under a Letter of Authorization.

Needs and Uses: The taking by harassment, injury, or mortality of marine mammals is prohibited by the Marine Mammal Protection Act (MMPA) unless exempted or authorized by permit. The small-take program authorized the taking of marine mammals incidental to maritime activities (military, oil industry, shipping). It is the responsibility of the activity to determine if it might have a "taking" and, if it does, to apply for an authorization. Applications are necessary for NMFS to know that an authorization is needed and to determine whether authorization can be made under the MMPA. Reporting requirements are mandated by the MMPA and are necessary to ensure that determinations made in regard to the impact on marine mammals are valid.

Affected Public: Business and other for-profit organization, not-for-profit institutions, Federal government, and State, Local, or Tribal government.

Frequency: On occasion, annual, 90 days.

Respondent's Obligation: Mandatory. OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Madeleine Clayton, Departmental Forms Clearance Officer, (202) 482-3129, Department of Commerce, Room 6086, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at MClayton@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20503.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104–13.

Bureau: International Trade Administration.

Title: Information for Certification Under FAQ 6 of the Safe Harbor Privacy Principles.

Agency Form Number: N/A. OMB Number: 0625–0239.

Type of Request: Regular Submission. Burden: 550 hours.

Number of Respondents: 1500. Avg. Hours Per Response: 20–40 minutes.

Needs and Uses: In response to the European Commission Directive on Data Protection that restricts transfers of personal information from Europe to countries whose privacy practices are not deemed "adequate," the U.S. Department of Commerce has developed a "safe harbor" framework that will allow U.S. organizations to satisfy the European Directive's requirements and ensure that personal data flows to the United States are not interrupted. In this process, the Department of Commerce repeatedly consulted with U.S. organizations affected by the European directive and interested nongovernment organizations. On July 27, 2000, the European Commission issued its decision in accordance with Article 25.6 of the Directive that the Safe Harbor Privacy Principles provide adequate privacy protection. The safe harbor framework bridges the differences between the European Union (EU) and U.S. approaches to privacy protection. Under the safe harbor privacy framework, information is being collected in order to create a list of the organizations that have selfcertified to the Principles. Organizations that have signed up to this list are deemed "adequate" under the Directive and do not have to provide further documentation to European officials. This list will be used by European Union organizations to determine whether further information and contracts will be needed for a U.S. organization to receive personally identifiable information. The decision to enter the safe harbor is entirely voluntary. Organizations that decide to participate in the safe harbor must comply with the safe harbor's requirements and publicly declare that they do so. To be assured of safe harbor
