Office of Direct Service and Contracting Tribes; Tribal Management Grant Program; Correction

AGENCY: Indian Health Service, HHS.

ACTION: Notice; correction.

SUMMARY: The Indian Health Service published a document in the **Federal Register** on March 19, 2015, for the FY 2015 Office of Direct Service and Contracting Tribes; Tribal Management

Grant Program. The notice contained incorrect guidance and an incorrect date.

FOR FURTHER INFORMATION CONTACT: Ms. Patricia Spotted Horse, Program Analyst, Office of Direct Service and Contracting Tribes, Indian Health Service, 801 Thompson Avenue, Suite 220, Reyes Building, Rockville, MD 20852, Telephone (301) 443-1104. (This is not a toll-free number.)

Corrections

In the **Federal Register** of March 19, 2015, in FR Doc. 2015-06353, on page 14395, in the first column, under the heading "FUNDING PRIORITIES," "PRIORITY I," the "March 2009" date should read "March 2010."

Also in the **Federal Register** of March 19, 2015, in FR Doc. 2015-06353, on page 14398, in the first column, from the heading "Universal Entity Identifier (UEI) Numbering System," to just before "V. Application Review Information," the correct language should read as follows:

Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS)

All IHS applicants and grantee organizations are required to obtain a DUNS number and maintain an active registration in the SAM database. The DUNS number is a unique 9-digit identification number provided by D&B which uniquely identifies each entity. The DUNS number is site specific; therefore, each distinct performance site may be assigned a DUNS number. Obtaining a DUNS number is easy, and there is no charge. To obtain a DUNS number, please access it through <http://fedgov.dnb.com/webform>, or to expedite the process, call (866) 705-5711.

All HHS recipients are required by the Federal Funding Accountability and Transparency Act of 2006, as amended ("Transparency Act"), to report information on subawards. Accordingly, all IHS grantees must notify potential first-tier subrecipients that no entity may receive a first-tier subaward unless the entity has provided its DUNS number to the prime grantee organization. This requirement ensures the use of a universal identifier to enhance the quality of information available to the public pursuant to the Transparency Act.

System for Award Management (SAM)

Organizations that were not registered with Central Contractor Registration (CCR) and have not registered with SAM will need to obtain a DUNS number first and then access the SAM online registration through the SAM home page at <https://www.sam.gov> (U.S. organizations will also need to provide an Employer Identification Number from the Internal Revenue Service that may take an additional 2-5 weeks to become active). Completing and submitting the registration takes approximately one hour to complete and SAM registration will take 3-5 business days to process. Registration with the SAM

is free of charge. Applicants may register online at <https://www.sam.gov>.

Additional information on implementing the Transparency Act, including the specific requirements for DUNS and SAM, can be found on the IHS Grants Management, Grants Policy Web site: https://www.ihs.gov/dgm/index.cfm?module=dsp_dgm_policy_topics.

Dated: May 4, 2015.

Robert G. McSwain,

Acting Director, Indian Health Service.
