DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Statement of Organization, Functions, and Delegations of Authority

Part M of the Substance Abuse and Mental Health Services Administration

(SAMHSA) Statement of Organization, Functions, and Delegations of Authority for the Department of Health and Human Services (DHHS) at 73, Number 147, pages 44274–44275, July 30, 2008, is amended to reflect the new functional statement for the Office of the Administrator, the Office of Program Services, the Office of Applied Studies and the Office of Policy, Planning and Budget. In addition this notice establishes a new Office of Policy, Planning and Innovation. These changes are necessary to strengthen cross Agency collaboration in policy analysis and development and to streamline oversight of all financial management procedures. The changes are as follows:

Section M.20, Functions is amended as follows:

The functional statement for the Office of the Administrator is amended to remove the functions related to controlled correspondence. The Office of Program Services is renamed to the Office of Management, Technology and Operations. In addition the functions of grant review, grants management and contracts management are deleted. The Office of Applied Studies is renamed to the Center for Behavioral Health Statistics and Quality and the Office of the Director, is amended to remove the functions related to the Paperwork Reduction Act. The Office of Policy, Planning and Budget is renamed the Office of Financial Resources. In addition the functions of grant review, grants management and contracts management are added and the Division of Policy Coordination is deleted. The Office of Policy, Planning and Innovation is established to provide an integrated and structured approach for the identification and adoption of policies and innovative practices that improve behavioral health services outcomes. The functional statement for each office is changed to read as follows:

Office of the Administrator (MA)

The Administrator is responsible to the Secretary for managing and directing SAMHSA. The office functions are as follows: (1) Provides leadership in the development of agency policies and programs; (2) maintains liaison with the Office of the Secretary on matters related to program and other activities; (3) provides oversight for coordination between SAMHSA and the National Institutes of Health (NIH) on the conduct of research and the dissemination of research findings in the areas of alcohol, drug abuse, and mental health; (4) analyzes legislative issues, and maintains liaison with congressional committees; and (5)

coordinates Agency communications and conducts public affairs activities.

Office of Management, Technology and Operations (MB)

(1) Works in partnership with other SAMHSA and DHHS components in managing, providing leadership, and ensuring SAMHSA's needs are met in the following service areas: administrative services, human resources management, equal employment opportunity, organizational development and analysis, and information technology; (2) provides leadership in the development of policies for and the analysis, performance measurement, and improvement of SAMHSA administrative and management services; (3) provides leadership, guidance, and technical expertise for the Agency's information technology program; and (4) provides centralized administrative services for the Agency.

Center for Behavioral Health Statistics and Quality (MC)

(1) Collects information as required by statute on the incidence, prevalence, trends, correlates of substance abuse and mental health problems, and the economic, behavioral and medical consequences of substance abuse and mental health problems in the United States; (2) collects information as required by statute on the number, characteristics, conduct, and performance of facilities and organizations providing prevention and treatment services for substance abuse at the national, State and local level; (3) plans, directs, and conducts studies based on data collected by the Center and other organizations of issues associated with substance abuse and mental health problems; (4) designs and carries out special data collection and analytic projects to examine topical issues for SAMHSA and other Federal agencies; (5) conducts epidemiological, statistical, and policy studies of existing or emerging issues; (6) provides information for program evaluation activities of the Agency; and (7) prepares reports and disseminates findings through Agency publications, the press, scientific journals, and electronic systems.

Office of Financial Resources (MG)

(1) Carries out all Chief Financial Officer functions provided by the Chief Financial Officers Act of 1990; (2) represents the agency before the Office of Management and Budget (OMB) in matters of presentation of budgets, performance reporting and resolution of issues arising from the execution of final
