Abstract of Proposed Collection

The International Exchange Alumni website (*alumni.state.gov*) requires information to process users' voluntary request for participation in the International Exchange Alumni network. Other than contact and exchange program information, which is required for website registration, all other information is provided on a voluntary basis. Participants also have the option of restricting access to their information.

• Respondents to this registration form are U.S. government-funded and U.S. government-facilitated exchange program participants and alumni.
