

collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Quarterly Survey of the Finances Of Public-Employee Retirement Systems.

Form Number(s): F-10.

Agency Approval Number: 0607-0143.

Type of Request: Extension of a currently approved collection.

Burden: 300 hours.

Number of Respondents: 100.

Avg Hours Per Response: 45 minutes.

Needs and Uses: The Census Bureau requests continued OMB clearance of the Quarterly Survey of the Finances of Public Employee Retirement Systems. Over 2.2 trillion dollars in public-employee retirement system assets in the financial markets are controlled by a small number of large systems. The 2002 Census of Governments identified 2,670 state and local government administered public-employee retirement systems. The 100 largest systems, as measured by the system assets, account for about 90 percent of the total assets of all systems. This survey is used to collect financial data from these 100 systems for policy makers and economists to follow the changing characteristics of these funds.

This survey was initiated by the U.S. Census Bureau at the request of both the Council of Economic Advisors and the Federal Reserve Board. The most important information this survey provides is the quarterly change in composition of the securities holdings of the public employee retirement systems component of the economy. The Federal Reserve Board uses these data to track the public sector portion of the flow of funds accounts. The Bureau of Economic Analysis uses the quarterly retirement information on corporate stock holdings to estimate dividends received by state and local government retirement systems that, in turn, are used in preparing the national income and product accounts. Additionally, these data are a significant part of the information base needed to analyze investment trends and help in the formulation of governmental economic policies and investment decisions.

Affected Public: State, local or Tribal government.

Frequency: Quarterly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.
