#### Changes Since Last Renewal

In addition to plain language changes and general format changes, the following content changes have been made to the collection:

The Acts or Conditions statement on the form was revised to add an applicant statement, affirming that he or she is not required to register as a sex offender, in accordance with International Megan's Law (34 U.S.C. 21501 *et seq.*, and 22 U.S.C. 212b). To comply with E.O. 14168, "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government," the Department updated the form to replace the term "gender" with "sex." The U.S. Passport conforms with the standards set by the E.O. and the International Civil Aviation Organization, which among other things determine the various fields on the passport's biographical data page. Consistent with the E.O., the revised DS–5504 will request the applicant's biological sex at birth, male "M" or female "F." Amendments to the fields and instructions (section 3) have been made to reflect this.

#### Methodology

Passport Services collects information from U.S. citizens and non-citizen nationals when they complete and submit the Application for a U.S. Passport for Eligible Individuals: Correction, Name Change to Passport Issued 1 Year Ago or Less, and Limited Passport Replacement (form DS–5504). Passport applicants can either download the DS–5504 from the internet or obtain the form from an acceptance facility/passport agency. The form must be completed, signed, and be submitted by mail (or in person at Passport Agencies domestically or U.S. embassies/consulates overseas).
