

prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)³⁵ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),³⁶ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange has indicated that there is a continued need to extend the temporary relief because the Exchange agrees with FINRA that the COVID-19 related health concerns necessitating this relief will not meaningfully subside by July 31, 2022.³⁷ The Exchange also states that extending the temporary relief provided in SR-NYSEAMER-2020-69 immediately upon filing and without a 30-day operative delay will allow the Exchange to continue critical adjudicatory and review processes so that the Exchange may continue to operate effectively and meet its critical investor protection goals, while also protecting the health and safety of hearing participants.³⁸ The Commission also notes that this proposal extends without change the temporary relief previously provided by SR-NYSEAMER-2020-69.³⁹ As proposed, the temporary changes would be in place through October 31, 2022 and the amended rules will revert back to their original state at the conclusion of the temporary relief period and, if applicable, any extension thereof.⁴⁰ For these reasons, the Commission believes that waiver of the 30-day operative delay for this proposal is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day

operative delay and designates the proposal operative upon filing.⁴¹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁴² of the Act to determine whether the proposed rule change should be approved or disapproved.

The proposed rule change would not make any changes to the text of NYSE National Rules 10.9261 and 10.9830. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes extending the expiration date of the temporary amendments as set forth in SR–NYSENAT–2020–31⁴ to Rules 10.9261 (Evidence and Procedure in Hearing) and 10.9830 (Hearing) from July 31, 2022, to October 31, 2022 to harmonize with recent changes by FINRA to extend the expiration date of the temporary amendments to its Rules 9261 and 9830. SR–NYSENAT–2020–31 temporarily granted to the Chief or Deputy Chief Hearing Officer the authority to order that hearings be conducted by video conference if warranted by public health risks posed by in-person hearings during the ongoing COVID–19 pandemic. The proposed rule change would not make any changes to the text of Exchange Rules 10.9261 and 10.9830.⁵

⁴ See Securities Exchange Act Release No. 90137 (October 8, 2020), 85 FR 65087 (October 14, 2020) (SR–NYSENAT–2020–31) (“SR–NYSENAT–2020–31”).

⁵ The Exchange may submit a separate rule filing to extend the expiration date of the proposed extension beyond October 31, 2022 if the Exchange requires additional temporary relief from the rule requirements identified in SR–NYSENAT–2020–31. The amended NYSE National rules will revert back to their original state at the conclusion of the temporary relief period and any extension thereof.

Background

In 2018, NYSE National adopted disciplinary rules that are, with certain exceptions, substantially the same as the disciplinary rules of its affiliate NYSE American LLC, which are in turn substantially similar to the FINRA Rule 8000 Series and Rule 9000 Series, and which set forth rules for conducting investigations and enforcement actions.⁶

In adopting disciplinary rules modeled on FINRA’s rules, NYSE National adopted the hearing and evidentiary processes set forth in Rule 10.9261 and in Rule 10.9830 for hearings in matters involving temporary and permanent cease and desist orders under the Rule 10.9800 Series. As adopted, the text of Rule 10.9261 and Rule 10.9830 are substantially the same as the FINRA rules with certain modifications.⁷

In response to the COVID–19 global health crisis and the corresponding need to restrict in-person activities, on August 31, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness, SR–FINRA–2020–027, which allowed FINRA’s Office of Hearing Officers (“OHO”) to conduct hearings, on a temporary basis, by video conference, if warranted by the current COVID–19-related public health risks posed by an in-person hearing. Among the rules FINRA amended were Rules 9261 and 9830.⁸

Given that that FINRA and OHO administers disciplinary hearings on the Exchange’s behalf, and that the public health concerns addressed by FINRA’s amendments apply equally to Exchange disciplinary hearings, on September 29, 2020, the Exchange filed to temporarily amend Rule 10.9261 and Rule 10.9830 to permit FINRA to conduct virtual hearings on its behalf.⁹ In December 2020, FINRA filed a proposed rule change, SR–FINRA–2020–042, to extend the expiration date of the temporary amendments in SR–FINRA–2020–027 from December 31, 2020, to April 30, 2021.¹⁰ On December 22, 2020, the Exchange similarly filed to extend the temporary amendments to Rule 10.9261 and Rule 10.9830 to April 30, 2021.¹¹

On April 1, 2021, FINRA filed a proposed rule change, SR–FINRA–2021–006, to extend the expiration date of the temporary rule amendments to, among other rules, FINRA Rule 9261 and 9830 from April 30, 2021, to August 31, 2021.¹² On April 20, 2021, the Exchange filed to extend the temporary amendments to Rule 10.9261 and Rule 10.9830 to August 31, 2021.¹³ On August 13, 2021, FINRA filed a proposed rule change, SR–FINRA–2021–019, to extend the expiration date of the temporary amendments to, among other rules, FINRA Rule 9261 and 9830 from August 31, 2021, to December 31, 2021.¹⁴ On August 27, 2021, the Exchange filed to extend the temporary amendments to Rule 10.9261 and Rule 10.9830 to December 31, 2021.¹⁵ On December 7, 2021, FINRA filed a proposed rule change, SR–FINRA–2021–031, to extend the expiration date of the temporary amendments in both SR–FINRA–2020–015 and SR–FINRA–2020–027 from December 31, 2021, to March 31, 2022.¹⁶ On December 27, 2021, the Exchange filed to extend the temporary amendments to Rule 10.9261 and Rule 10.9830 to March 31, 2022, after which the temporary amendments will expire absent another proposed rule change filing by the Exchange.¹⁷ On March 7, 2022, FINRA filed to extend the expiration date of the temporary rule amendments to, among other rules, FINRA Rule 9261 and 9830 from March 31, 2022, to July 31, 2022.¹⁸ On March 29, 2022, the Exchange filed to extend the temporary amendments to Rule 9261 and Rule 9830 to July 31, 2022, after which the temporary amendments will expire absent another proposed rule change filing by the Exchange.¹⁹

Even though it has been more than two years since the World Health Organization declared COVID–19 a pandemic, FINRA has determined that

uncertainty still remains around this disease. The continued presence of COVID-19 variants including the quickly emerging Omicron BA.4 and BA.5 subvariants, dissimilar vaccination rates throughout the United States, and the current medium to high COVID-19 community levels in many states indicate that COVID-19 remains an active and real public health concern.²⁰ Due to the uncertainty and the lack of a clear timeframe for a sustained and widespread abatement of COVID-19-related health concerns and corresponding restrictions,²¹ FINRA believes that there is a continued need for temporary relief beyond July 31, 2022.²² On July 8, 2022, FINRA accordingly filed to extend the expiration date of the temporary rule amendments to, among other rules, FINRA Rule 9261 and 9830 from July 31, 2022, to October 31, 2022.²³

Proposed Rule Change

Consistent with FINRA's recent proposal, the Exchange proposes to extend the expiration date of the temporary rule amendments to NYSE National Rules 10.9261 and 10.9830 as set forth in SR-NYSE-2020-31 from July 31, 2022, to October 31, 2022.

As set forth in SR-FINRA-2022-018, even though it has been more than two years since the World Health Organization declared COVID-19 a pandemic, uncertainty still remains around this disease. The continued presence of COVID-19 variants

including the quickly emerging Omicron BA.4 and BA.5 subvariants, dissimilar vaccination rates throughout the United States, and the current medium to high COVID-19 community levels in many states indicate that COVID-19 remains an active and real public health concern.²⁴ Due to the uncertainty and the lack of a clear timeframe for a sustained and widespread abatement of COVID-19-related health concerns and corresponding restrictions,²⁵ FINRA believes that there is a continued need for temporary relief beyond July 31, 2022.²⁶ FINRA accordingly proposed to extend the expiration date of the temporary rule amendments from July 31, 2022, to October 31, 2022.

The Exchange proposes to similarly extend the expiration date of the temporary rule amendments to NYSE National Rules 10.9261 and 10.9830 as set forth in SR-NYSE-2020-31 from July 31, 2022, to October 31, 2022. The Exchange agrees with FINRA that, even though it has been more than two years since the World Health Organization declared COVID-19 a pandemic, uncertainty still remains around this disease. The Exchange also agrees that, due to the uncertainty and the lack of a clear timeframe for a sustained and widespread abatement of COVID-19-related health concerns and corresponding restrictions, for the reasons set forth in SR-FINRA-2022-018, there is a continued need for this temporary relief beyond July 31, 2022. The proposed change would permit OHO to continue to assess, based on critical COVID-19 data and criteria and the guidance of health and security consultants, whether an in-person hearing would compromise the health and safety of the hearing participants such that the hearing should proceed by video conference. As noted in SR-FINRA-2022-018, in deciding whether to schedule a hearing by video conference, OHO may consider a variety of other factors in addition to COVID-19 trends. Similarly, as noted in SR-FINRA-2022-018, in SR-FINRA-2020-027, FINRA provided a non-exhaustive list of other factors OHO may take into consideration, including a hearing participant's individual health concerns and access to the connectivity and technology necessary to participate in a video conference hearing.²⁷ The Exchange believes that this is a reasonable procedure to continue to

follow for hearings under Rules 10.9261 and 10.9830 chaired by a FINRA employee.

As noted below, the Exchange has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so the Exchange can implement the proposed rule change immediately.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,²⁸ in general, and furthers the objectives of Section 6(b)(5),²⁹ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is designed to provide a fair procedure for the disciplining of members and persons associated with members, consistent with Sections 6(b)(7) and 6(d) of the Act.³⁰

The Exchange believes that the proposed rule change supports the objectives of the Act by providing greater harmonization between Exchange rules and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance. As such, the proposed rule change will foster cooperation and coordination with persons engaged in facilitating transactions in securities and will remove impediments to and perfect the mechanism of a free and open market and a national market system.

The proposed rule change, which extends the expiration date of the temporary amendments to Exchange rules consistent with FINRA's extension to its Rules 9261 and 9830 as set forth in SR-FINRA-2022-018, will permit the Exchange to continue to effectively conduct hearings during the COVID-19 pandemic. Given the current and frequently changing COVID-19 conditions and the uncertainty around when those conditions will see meaningful, widespread and sustained improvement, without this relief

²⁰ See Securities Exchange Act Release No. 95281 (July 14, 2022), 87 FR 43335 (July 20, 2022) (SR-FINRA-2022-018) ("SR-FINRA-2022-018"). FINRA noted that, for example, there has been a notable upward trend in the number of daily COVID-19 cases in the United States since April 1, 2022. See https://covid.cdc.gov/covid-data-tracker/#trends_dailycases. In addition, on June 9, 2022, the Biden Administration announced its operational plan for COVID-19 vaccinations for children under the age of five. See <https://www.whitehouse.gov/briefing-room/statements-releases/2022/06/09/fact-sheet-biden-administration-announces-operational-plan-for-covid-19-vaccinations-for-children-under-5/>. See SR-FINRA-2022-018, 87 FR at 43335, n. 6.

²¹ For instance, FINRA noted that the Centers for Disease Control and Prevention ("CDC") recommends that people wear a mask in public indoor settings in areas with a high COVID-19 community level regardless of vaccination status or individual risk. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html>. The CDC also recommends that people wear a mask in indoor areas of public transportation and transportation hubs to protect themselves and those around them and help keep travel and public transportation safer for everyone. See <https://www.cdc.gov/coronavirus/2019-ncov/travelers/masks-public-transportation.html>. Furthermore, numerous states currently have mask mandates in certain settings, such as healthcare and correctional facilities. See SR-FINRA-2022-018, 87 FR at 43335, n. 7.

allowing OHO to proceed by video conference, some or all hearings may have to be postponed. The ability to conduct hearings by video conference will permit the adjudicatory functions of the Exchange's disciplinary rules to continue unabated, thereby avoiding protracted delays. The Exchange believes that this is especially important in matters where temporary and permanent cease and desist orders are sought because the proposed rule change would enable those hearings to continue to proceed without delay, thereby enabling the Exchange to continue to take immediate action to stop significant, ongoing customer harm, to the benefit of the investing public.

As set forth in detail in SR-NYSENAS-2020-31, the temporary relief to permit hearings to be conducted via video conference maintains fair process and will continue to provide fair process consistent with Sections 6(b)(7) and 6(d) of the Act³¹ while striking an appropriate balance between providing fair process and enabling the Exchange to fulfill its statutory obligations to protect investors and maintain fair and orderly markets while avoiding the COVID-19-related public health risks for hearing participants. The Exchange notes that this proposal, like SR-NYSENAS-2020-31, provides only temporary relief. As proposed, the changes would be in place through October 31, 2022. As noted in SR-NYSENAS-2020-31 and above, the amended rules will revert back to their original state at the conclusion of the temporary relief period and, if applicable, any extension thereof.

Accordingly, the proposed rule change extending this temporary relief is in the public interest and consistent with the Act's purpose.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed temporary rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but is rather intended solely to extend temporary relief necessitated by the continued impacts of the COVID-19 pandemic and the related health and safety risks of conducting in-person activities. The Exchange believes that the proposed rule change will prevent unnecessary impediments to critical adjudicatory processes and its ability to fulfill its statutory obligations to protect

investors and maintain fair and orderly markets that would otherwise result if the temporary amendments were to expire on July 31, 2022.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³² and Rule 19b-4(f)(6) thereunder.³³ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)³⁴ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),³⁵ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange has indicated that there is a continued need to extend the temporary relief because the Exchange agrees with FINRA that the COVID-19 related health concerns necessitating this relief will not meaningfully subside by July 31, 2022.³⁶ The Exchange also states that extending the temporary relief provided in SR-NYSENAS-2020-31 immediately upon filing and without a 30-day operative delay will allow the Exchange to continue critical adjudicatory and review processes so that the Exchange may continue to operate effectively and meet its critical investor protection goals, while also protecting the health and safety of

hearing participants.³⁷ The Commission also notes that this proposal extends without change the temporary relief previously provided by SR-NYSENAS-2020-31.³⁸ As proposed, the temporary changes would be in place through October 31, 2022 and the amended rules will revert back to their original state at the conclusion of the temporary relief period and, if applicable, any extension thereof.³⁹ For these reasons, the Commission believes that waiver of the 30-day operative delay for this proposal is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.⁴⁰

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁴¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

³⁸ See *supra* note 4.

³⁹ See *supra* note 5. As noted above, the Exchange states that if it requires temporary relief from the rule requirements identified in this proposal beyond October 31, 2022, it may submit a separate rule filing to extend the effectiveness of the temporary relief under these rules.

[Release No. 34–95472; File No. SR–ICC–2022–007]

Self-Regulatory Organizations; ICE Clear Credit LLC; Order Approving Proposed Rule Change Relating to the Clearance of Additional Credit Default Swap Contracts

August 11, 2022.

I. Introduction

On June 16, 2022, ICE Clear Credit LLC (“ICC”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² a proposed rule change to revise the ICC Rulebook (the “Rules”)³ to provide for the clearance of additional Standard Emerging Market Sovereign⁴ CDS contracts (collectively, the “EM Contracts”). The proposed rule change was published for comment in the **Federal Register** on June 22, 2022.⁵ The Commission did not receive comments regarding the proposed rule change. For the reasons discussed below, the Commission is approving the proposed rule change.

II. Description of the Proposed Rule Change

The proposed rule change would amend Subchapter 26D of the Rules to provide for the clearance of the following EM Contracts: the Arab Republic of Egypt, Kingdom of Bahrain, and Sultanate of Oman.⁶ The proposed rule change would do so by amending the term “Eligible SES Reference Entities” in Rule 26D–102 (Definitions) to include the Arab Republic of Egypt, Kingdom of Bahrain, and Sultanate of Oman in the list of specific Eligible SES Reference Entities to be cleared by ICC. ICC represents that these additional EM Contracts have terms consistent with the other EM Contracts approved for clearing at ICC and governed by Subchapter 26D of the Rules, and that clearance of these additional EM

contracts would not require any changes to ICC's Risk Management Framework.⁷

III. Discussion and Commission Findings

Section 19(b)(2)(C) of the Act directs the Commission to approve a proposed rule change of a self-regulatory organization if it finds that such proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to such organization.⁸ Section 17A(b)(3)(F) of the Act requires, among other things, that the rules of ICC be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, as well as to assure the safeguarding of securities and funds which are in the custody or control of ICC or for which it is responsible.⁹

The Commission finds that the proposed rule change is consistent with Section 17A(b)(3)(F) of the Act.¹⁰ The Commission has reviewed the terms and conditions of the additional EM Contracts proposed for clearing and has determined that those terms and conditions are substantially similar to the terms and conditions of the other contracts listed in Subchapter 26D of the ICC Rules, all of which ICC currently clears, with the key difference being that the underlying reference obligations will be issuances by the Arab Republic of Egypt, Kingdom of Bahrain, and Sultanate of Oman. Moreover, after reviewing the Notice and ICC's Rules, policies and procedures, the Commission finds that ICC would clear the additional EM Contracts pursuant to its existing clearing arrangements and related financial safeguards, protections and risk management procedures.

In addition, based on its own experience and expertise, including a review of data on volume, open interest, and the number of ICC Clearing Participants (“CPs”) that currently trade in the additional EM Contracts as well as certain model parameters for the additional EM Contracts, the Commission finds that ICC's rules, policies, and procedures are reasonably designed to price and measure the potential risk presented by the additional EM Contracts, collect financial resources in proportion to such risk, and liquidate this product in the event of a CP default.
