SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act, the NTSB previously published a Notice in the **Federal Register** indicating its proposal to collect feedback concerning its public Web site, and sought comments from the public concerning this proposed ICR. The NTSB did not receive any comments. At this juncture, in accordance with OMB regulations that require this additional Notice for proposed ICRs, the NTSB seeks to notify the public that it may submit comments on this proposed ICR to OMB. 5 CFR 1320.10(a).

The NTSB Online Customer Satisfaction Survey will seek the public's feedback regarding a variety of aspects of the current NTSB Web site. In particular, the survey will solicit feedback concerning the public's satisfaction with the content of information on the Web site, as well as the presentation and organization of information that is available on the NTSB Web site. The survey will also ask the public for opinions regarding the overall utility of certain categories of the existing Web site. The survey will also seek responses to questions concerning ways to improve the Web site, such as whether the public would find it helpful to include certain information. In addition, the survey will seek general comments regarding ways the NTSB can improve its Web site. Finally, the survey will inquire into whether respondents are affiliated with a particular group, industry, or profession, and how often respondents visit the NTSB Web site.

Respondents' participation in the survey is voluntary. The survey will only be available on the NTSB Web site, and the NTSB has carefully reviewed the survey to ensure that it has used plain, coherent, and unambiguous terminology in its requests for information and feedback. The survey is not duplicative of other agencies' collections of information. The survey will consist of seven questions, and imposes minimal burden on respondents: the NTSB estimates that respondents will spend approximately 10 minutes in completing the survey. The NTSB estimates that approximately

100 respondents will participate in the survey.

SUPPLEMENTARY INFORMATION: On April 25, 2008, the Committee for the Implementation of Textile Agreements (CITA) determined, pursuant to Section 322(a)-(b) of the Dominican Republic—Central America—United States Free Trade Agreement Implementation Act (Pub. L. 109-53; 19 U.S.C. 4082), to impose a textile safeguard measure on certain cotton socks of Honduras. This measure takes the form of an increase in the rate of duty in the amount of 5 percent *ad valorem* on all CAFTA-DR originating cotton socks of Honduras classifiable in subheading 6115.95 of the HTS that are entered, or withdrawn from warehouse, for consumption during the period July 1, 2008 through December 31, 2008.
