To obtain copies of a supporting statement and any related forms for the proposed collection(s) summarized in this notice, you may make your request using one of following:

1. Access CMS' Web site address at *http://www.cms.hhs.gov/PaperworkReductionActof1995.*
2. Email your request, including your address, phone number, OMB number, and CMS document identifier, to *Paperwork@cms.hhs.gov.*
3. Call the Reports Clearance Office at (410) 786–1326.

FOR FURTHER INFORMATION CONTACT: Reports Clearance Office at (410) 786–1326

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3520), federal Agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term ''collection of information'' is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* New collection; *Title of Information Collection:* Health Care Sharing Ministries Information Collection; *Use:* In order to facilitate the provision of an exemption for membership in a health care sharing ministry to the members of such ministry, we specify in Sec. 155.615(c)(2) that an organization that believes that it meets the statutory standards to be considered a health care sharing ministry will submit certain information to HHS. We are aware of four organizations that have made public statements regarding their status as a health care sharing ministry, and so have estimated burden for four entities. The burden associated with this process includes the time for the organization to collect and input the necessary information, maintain a copy for recordkeeping by clerical staff, for a manager and legal counsel to review it and for a senior executive to review and sign it. The information would be submitted to CMS electronically at minimal cost. *Form Number:* CMS–10486 (OCN: 0938–NEW); *Frequency:* Once, Yearly; *Affected Public:* Private sector—Not-for-profit institutions; *Number of Respondents:* 4; *Total Annual Responses:* 4; *Total Annual Hours:* 4.25. (For policy questions regarding this collection contact Zach Baron at 301–492–4478.)

Dated: September 30, 2013.

Martique Jones,

Deputy Director, Regulations Development Group, Office of Strategic Operations and Regulatory Affairs.

Proposed Information Collection Activity; Comment Request

Title: Personal Responsibility Education Program (PREP) Multi-Component Evaluation—Data Collection Related to the Design and Implementation Study.

OMB No.: 0970–0398.

Description: The Office of Data Analysis, Research, and Evaluation (HHS/ACF/ACYF/ODARE) in the Administration for Children, Youth and Families (ACYF) and the Office of Planning, Research, and Evaluation (HHS/ACF/OPRE) in the Administration for Children and Families (ACF) propose a data collection activity as part of the Personal Responsibility Education Program (PREP) Multi-Component Evaluation.

The goals of the PREP Multi-Component Evaluation are to document how PREP programs are designed and implemented in the field, collect performance measure data for PREP programs, and assess the effectiveness of selected PREP-funded programs.

The PREP Multi-Component Evaluation contains three components: The ''Design and Implementation Study,'' the ''Performance Analysis Study,'' and the ''Impact and In-Depth Implementation Study.'' Previously approved data collection efforts for each of the three components can be found on *reginfo.gov.* This notice is specific to data collection activities for the implementation portion of the Design and Implementation Study.

The goals of this portion of the study are to document how States and sub-awardees actually implemented their PREP programs, given their program designs. In order to meet this goal, both State PREP Administrators and a selection of sub-awardee program providers, across the nation, will be interviewed. The interviews will be used to understand important aspects of implementation, such as training, technical assistance and program fidelity monitoring.

Respondents: State PREP Administrators; Program Providers

Instrument	Total number of respondents	Annual number of respondents	Number of responses per respondent	Average burden hours per response	Estimated annual burden hours
Design and Implementation Study: Implementation Survey					
State PREP Administrator survey	45	15	1	1	15
Program Provider (Sub-awardee) survey	50	17	1	1	17
Total					32

In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 370 L'Enfant Promenade SW., Washington, DC 20447, Attn: OPRE Reports Clearance Officer. Email address: *OPREinfocollection@acf.hhs.gov.* All requests should be identified by the title of the information collection.

The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Robert Sargis,

Reports Clearance Officer, Administration for Children and Families.

Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB)

Title: Low Income Home Energy Assistance Program (LIHEAP) Grantee Needs Assessment.

OMB No.: New Collection.

Description: This information collection is a direct response to recommendations for strengthening LIHEAP program integrity made by the Government Accountability Office in 2010 and the LIHEAP Program Integrity Work Group. The purpose of this data collection is to gauge the capacity of LIHEAP grantees to perform two critical tasks:

1. To implement third-party verification of household data obtained during the LIHEAP intake process, in order to strengthen program integrity by reducing the risk of making LIHEAP benefit payments to ineligible households or in the wrong amount. These risks arise in large part when there are errors or fraud in the reporting of household members' identity and income during the LIHEAP intake process.
2. To collect and report new performance measures that ACF is proposing to require of all State LIHEAP grantees by Fiscal Year 2015.

This needs assessment represents a maturity model—a process for determining the existing capabilities of grantees. Through a web-based tool, respondents will be asked to indicate the level of maturity, or sophistication, of their program across multiple areas of evaluation. The data collected will be analyzed to identify strengths and weaknesses among grantees and determine opportunities for improvement. This needs assessment is designed to identify and organize the systems, processes and activities that are critical to each grantee's LIHEAP program.

The needs assessment is broken up into multiple sections. Each section is focused on a different part of the overall program, and as such may be best answered by an individual with expertise in that specific area of the program. Burden estimates shown below represent the total time to complete all sections by all relevant parties.

The data that will be obtained through this needs assessment is a one-time collection to inform ACF in its operational decision-making over how to distribute training and technical assistance, and other capacity building resources to its directly-funded LIHEAP grantees. The data will be for internal use by ACF and its contractors for this internal purpose only. Currently, there is very limited data available on a national scale to provide program administrators and stakeholders information on the impact of LIHEAP services and the effectiveness of how the program is administered. The data that will be collected through this needs assessment will inform ACF as to how to help LIHEAP grantees improve the timeliness and accuracy of their data collection and reporting which will in turn provide better feedback to ACF and national stakeholders about the program's performance.

Respondents: The respondents to this one-time needs assessment will be all 51 State LIHEAP grantees, including the District of Columbia, and the Commonwealth of Puerto Rico.

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Grantee Needs Assessment	52	1	1 hr. 40 min.	86 hours 40 minutes.

Estimated Total Annual Burden Hours: 86 hours 40 minutes.

Additional Information: ACF is requesting that OMB grant a 180 day approval for this information collection under procedures for emergency processing by October 28, 2013. A copy of this information collection, with applicable supporting documentation, may be obtained by calling the Administration for Children and Families, Reports Clearance Officer, Robert Sargis at (202) 690–7275.

Comments and questions about the information collection described above should be directed to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for ACF, Office of Management and Budget, Paperwork Reduction Project, 725 17th Street NW., Washington, DC 20503; FAX: (202) 395–7285; email: *oira_submission@omb.eop.gov.*
