

organizations that are otherwise eligible and believe they can contribute to HRSA's program objectives are urged to consider this initiative. There will be only one funded application per State.

#### **Funding Level/Project Period**

Approximately \$600,000 is available to support the award of 6 grants averaging approximately \$100,000 each in FY 2002, with a project period of up to three years. Funding beyond FY 2002 is contingent upon satisfactory performance, the availability of funds, and program priorities. The initial budget period is expected to be 12 months, with subsequent budget periods being 12 months each.

#### **Review Criteria**

In general, applications for this grant program will be reviewed on the basis of the extent to which they address the following criteria:

- (1) The extent to which the project will contribute to the advancement of maternal and child health and/or improvement of the health of children with special health care needs;
- (2) The extent to which the project is responsive to program objectives, requirements, priorities and/or review criteria for specific project categories, as published in program announcements or guidance materials;
- (3) Clarity and appropriateness of the budget and coordinated budget narrative;
- (4) The extent to which the project personnel are well qualified by training and/or experience for their roles in the project and the applicant organization has adequate facilities and personnel;
- (5) Clarity and strength of the letters of support or collaboration, particularly from the State Title V agency; and
- (6) The extent to which, insofar as practicable, the proposed activities, if well executed, are capable of attaining project objectives.

The final review criteria used to review and rank applications for the Integrated Comprehensive Women's Health Services in State MCH Programs grant program are included in the application kit. Applicants should pay strict attention to addressing these criteria, as they are the basis upon which their applications will be judged.

#### **Paperwork Reduction Act**

OMB approval for any data collection in connection with this cooperative agreement will be sought, as required under the Paperwork Reduction Act of 1995.

#### **Public Health System Reporting Requirements**

This program is subject to the Public Health System Reporting Requirements (approved under OMB No. 0937-0195). Under these requirements, the community-based non-governmental applicant must prepare and submit a Public Health System Impact Statement (PHSIS). The PHSIS is intended to provide information to State and local health officials to keep them apprized of proposed health services grant applications submitted by community-based non-governmental organizations within their jurisdictions.

Community-based non-governmental applicants are required to submit the following information to the head of the appropriate State and local health agencies in the area(s) to be impacted no later than the Federal application receipt due date:

- (a) A copy of the face page of the application (SF 424).
- (b) A summary of the project (PHSIS), not to exceed one page, which provides:
  - (1) A description of the population to be served.
  - (2) A summary of the services to be provided.
  - (3) A description of the coordination planned with the appropriate State and local health agencies.

#### **Executive Order 12372**

The MCH Federal Set-Aside program has been determined to be a program which is not subject to the provisions of Executive Order 12372 concerning intergovernmental review of Federal programs.
