5. *Employment Expense Allowance.*

This allowance for employment-related expenses recognizes additional expenses incurred by working individuals. For parents of dependent students, the employment expense allowance is the lesser of \$5,000 or 35% of the total earned income of the student's parent and parent's spouse, if applicable. The employment expense allowance for independent students with dependents other than a spouse is also the lesser of \$5,000 or 35% of the combined earned income for the student and student spouse, if applicable. The allowance is the same for independent students without dependents other than a spouse if they are married, but if they are not married, the allowance is zero.
