#### Horizon Pipeline Company, L.L.C.; Notice of Withdrawal of Proposed Tariff Sheet

March 27, 2002.

Take notice that on March 18, 2002, Horizon Pipeline Company, L.L.C. (Horizon) filed with the Federal Energy Regulatory Commission (Commission) to withdraw its First Revised Sheet No. 209 from its pending February 27, 2002 filing in Docket No. RP02-165-000 (February 27th Filing).

Horizon states that one of the proposed changes in its February 27th Filing was to place responsibility for damages on the party tendering non-conforming gas. That change was reflected on First Revised Sheet No. 209 in the February 27th Filing. Subsequently, as a result of discussions between Horizon and Nicor Gas, which will be a major shipper on Horizon, Horizon agreed to withdraw First Revised Sheet No. 209 from its February 27th filing.

Horizon states that copies of the filing are being mailed to interested state commissions and all parties set out on the Commission's official service lists in Docket Nos. RP02-165 and CP00-129, *et al.*

#### K N Wattenberg Transmission Limited Liability Company; Notice of Request for Waiver

March 27, 2002.

Take notice that on March 18, 2002, K N Wattenberg Transmission Limited Liability Company (KNW) tendered for filing a petition to the Commission to waive its filing requirement contained in 18 CFR 206, *et seq.* to the extent such rules require KNW to file a FERC Form No. 2 for the calendar year 2001.

KNW states that by year end 2001, KNW neither owned nor operated facilities subject to the Commission's jurisdiction and it was no longer a natural gas company as defined in the Natural Gas Act. KNW does not believe that the intent of the Form No. 2 filing requirement would be served if the requirement is imposed on KNW for the reporting year 2001.
