Abstract: The Susquehanna River Angler Survey collects information from anglers in Pennsylvania about their preferences for fishing, including information about their general fishing preferences, their most recent fishing trip, if they would have gone on their most recent fishing trip under different circumstances, and demographic information. The survey results will be used to determine the economic value of recreational fishing in the Susquehanna River and its tributaries under various best-management scenarios. The results will inform resource managers in considering the costs and benefits of alternative management actions.

Bureau of Land Management

[LLNVL0000.L16100000.DP0000, N–96543

Notice of Intent/Notice of Realty

Action: Proposed Resource Management Plan Amendment and an Associated Environmental Assessment for the Direct Sale of 0.66 Acres in the Ely District Office, White Pine County, Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action and notice of intent.

SUMMARY: In accordance with the National Environmental Policy Act (NEPA) of 1969, as amended, and the Federal Land Policy and Management Act (FLPMA) of 1976, as amended, the Bureau of Land Management (BLM) Ely District Office, Ely, Nevada, intends to prepare a Resource Management Plan (RMP) amendment (RMPA), with an associated Environmental Assessment (EA), to the 2008 Ely District Record of Decision and Approved RMP. The proposed RMPA would evaluate whether the subject parcel of public land meets the disposal criteria described in Section 203 of the FLPMA, as amended, and allow the direct sale (without competition) of 0.66 acres of BLM managed public land to Nina Higgs, Trustee for Shirley Schena, if the parcel is determined to meet the disposal criteria. The purpose of the sale would be to resolve an inadvertent trespass and the EA would analyze the environmental effects of the direct sale of the land identified for disposal. The sale would be for no less than the appraised fair market value of \$10,000. The sale would be subject to the applicable provisions of Section 203 of FLPMA and the BLM land sale regulations. Section 203 of FLPMA states that tracts of public land may be sold because of land use planning required under Section 202 of FLPMA; the subject parcel was not previously identified for disposal in the RMP, therefore the BLM must amend the RMP to allow the proposed sale to proceed. This notice serves to notify the public of the BLM's proposed realty action and initiates the public scoping process to solicit public comments on anticipated issues and planning criteria.

DATES: Interested parties may submit written comments regarding the RMPA planning criteria and proposed land sale during the 45-day scoping and comment period initiated by publication of this notice in the **Federal Register** and

ending on March 21, 2022. All timely comments will be considered during analysis of the RMPA and land sale proposal. Interested parties will have the following additional opportunities to participate in this process:

Interested parties will be notified when the Draft RMPA, EA, and unsigned Finding of No Significant Impact (FONSI) are ready for review and will be provided another 30-day comment period. Upon review of comments to the Draft RMPA, EA, and unsigned FONSI, a Proposed RMPA, EA, and signed FONSI will be completed. Interested parties will be notified again when the Proposed RMPA, EA, and signed FONSI are ready for review which will initiate three, separate external engagement opportunities. First, interested parties will be provided a 30-day protest period, subject to 43 CFR 1610.5–2, on the Proposed RMPA to the BLM Nevada State Director. The BLM Nevada State Director will review all protests and must render land use planning decisions, which shall be the final decisions for the Department of the Interior (43 CFR 1610.5–2(b)). Second, the notification will also begin a separate, concurrent 60-day Governor's consistency review of the Proposed RMPA (43 CFR 1610.3–2(e)). The BLM Nevada State Director may negotiate a shorter Governor's consistency review period. The BLM Nevada State Director will review any inconsistencies with state plans, policies, or programs raised by the Governor and accept or reject recommendations proposed to resolve the inconsistencies. Any rejection of the recommendations will further initiate a 30-day appeal period for the Governor on the BLM Nevada State Director's rejection of the recommendations. Third, the notification of the Proposed RMPA, EA, and signed FONSI will also begin a separate, concurrent 30-day protest period subject to MS2711.4(d) on the land sale decision. The BLM Nevada State Director will review all protests and may sustain, vacate, or modify the Proposed RMPA and land sale, in whole or in part. In the absence of any protests, the BLM will develop the approved RMPA and Decision Record, which will document the final determination of the Department of the Interior for the land sale. In addition to publication in the **Federal Register**, the BLM will publish this notice in the *Ely Times* newspaper once a week for three consecutive weeks. Any other subsequent notices related to the RMPA and land sale may also be published in the *Ely Times* newspaper.
