[OMB Control No. 9000-0004]

Federal Acquisition Regulation; Submission for OMB Review; Architect-Engineer and Related Services Questionnaire (SF 254)

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice of request for public comments regarding an extension to an existing OMB clearance (9000-0004).

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Federal Acquisition Regulation (FAR) Secretariat has submitted to the Office of Management and Budget (OMB) a request to review and approve an extension of a currently approved information collection requirement concerning Architect-Engineer and Related Services Questionnaire (SF 254). A request for public comments was published at 66 FR 58454, November 21, 2001. No comments were received.

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to

respond, through the use of appropriate technological collection techniques or other forms of information technology.

DATES: Submit comments on or before March 18, 2002.

ADDRESSES: Submit comments including suggestions for reducing this burden to: FAR Desk Officer, OMB, Room 10102, NEOB, Washington, DC 20503, and a copy to the General Services Administration, FAR Secretariat (MVP), 1800 F Street, NW, Room 4035, Washington, DC 20405.

FOR FURTHER INFORMATION CONTACT: Cecelia Davis, Acquisition Policy Division, GSA (202) 219-0202.

SUPPLEMENTARY INFORMATION:

A. Purpose

Standard Form 254 is used by all Executive agencies to obtain uniform information about a firm's experience in architect-engineering (A-E) projects. The form is submitted annually as required by 40 U.S.C. 541-544 by firms wishing to be considered for Government A-E contracts. The information obtained on this form is used to determine if a firm should be solicited for A-E projects.

[Docket No. ER02-565-000]

Duke Energy Enterprise, L.L.C.; Notice of Issuance of Order

February 8, 2002.

Duke Energy Enterprise, L.L.C. (Duke Enterprise) submitted for filing a tariff under which Duke Enterprise will engage in the sale of energy, capacity, and/or ancillary service at market-based rates. Duke Enterprise also requested waiver of various Commission regulations. In particular, Duke Enterprise requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Duke Enterprise.

On January 30, 2002, pursuant to delegated authority, the Director, Office of Markets, Tariffs and Rates-East, granted requests for blanket approval under part 34, subject to the following:

Acceptance of Duke Enterprise's market-based rate tariff is subject to any tariff condition adopted by the Commission in Docket No. EL01-118-000.

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Duke Enterprise should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Duke Enterprise is authorized to issue securities and assume obligations or

liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Duke Enterprise, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Duke Enterprise's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is March 1, 2002.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

Louisville Gas and Electric Company; Notice of Application

February 8, 2002.

Take notice that on January 14, 2002, Louisville Gas and Electric Company (Louisville) filed an application pursuant to section 7 of the Natural Gas Act (NGA) and 18 CFR 284.224 for a limited-jurisdiction blanket certificate of public convenience and necessity authorizing Louisville to offer open access firm and interruptible storage services in interstate commerce at market-based rates. Louisville includes with its application a Market Power Analysis which, it maintains, demonstrates that Louisville does not have market power in the relevant market for its proposed services. Louisville also submits with its filing an operational statement. Louisville states that it will offer the storage service by displacement through the two interstate pipelines serving Louisville—Texas Gas
