

Background

The regulations in "Subpart-Fruits and Vegetables" (7 CFR 319.56 through 319.56-8, referred to below as the regulations), prohibit or restrict the importation of fruits and vegetables into the United States from certain parts of the world to prevent the introduction and dissemination of plant pests, including fruit flies, that are new to or not widely distributed within the United States.

At the request of the Government of the Republic of Chile, the Animal and Plant Health Inspection Service (APHIS) is considering amending the regulations to allow the importation of clementines, mandarins, and tangerines from Chile into the United States. To evaluate the risks associated with the importation of clementines, mandarins, and tangerines from Chile, a draft pest risk assessment entitled, "Importation of Fresh Commercial Citrus Fruit: Clementine (*Citrus reticulata* Blanco var. "Clementine"), Mandarin (*Citrus reticulata* Blanco), and Tangerine (*Citrus reticulata* Blanco) from Chile into the United States: A Pathway Initiated Plant Pest Risk Assessment" (Revised July 2002), has been prepared. We are making the draft pest risk assessment available to the public for review and comment.

In addition to the draft pest risk assessment, we are also making a risk management document entitled, "Measures Suggested for Quarantine Pest Risk Management in Clementines, Mandarin Oranges and Tangerines Exported from Chile to the Market of the United States of America" (March 2002), available for comment. This risk management document was prepared in Chile by the Fundacion para el Desarrollo Fruiticola. We expect that we would consider the risk management measures examined in that document during the development of any proposed rule concerning the importation of clementines, mandarins, and tangerines from Chile.

You may view the draft pest risk assessment and the risk management document on the Internet at <http://www.aphis.usda.gov/ppq/prs/>, or in our reading room (information on the location and hours of the reading room is provided under the heading **ADDRESSES** at the beginning of this notice). You may also request a copy of either document from the person listed under **FOR FURTHER INFORMATION CONTACT**.

SUPPLEMENTARY INFORMATION:

Reimbursable Overtime Charges

The regulations in 7 CFR chapter III and 9 CFR chapter I, subchapters D and G, require inspection, laboratory testing, certification, or quarantine of certain animals, poultry, animal byproducts,

germ plasm, organisms, vectors, plants, plant products, or other regulated commodities or articles intended for importation into, or exportation from, the United States. With some exceptions, when these services must be provided by an Animal and Plant Health Inspection Service (APHIS) employee on a Sunday or on a holiday, or at any other time outside the APHIS employee's regular duty hours, the Government charges an hourly overtime fee for the services in accordance with 7 CFR part 354 and 9 CFR part 97.

In a final rule published in the **Federal Register** on July 25, 2002 (67 FR 48519-48525, Docket No. 00-087-2), and effective August 11, 2002, we established, for fiscal years 2002 through 2006 and beyond, reimbursable overtime rates for Sunday, holiday, or other overtime work performed by APHIS employees for any person, firm, or corporation having ownership, custody, or control of animals, poultry, animal byproducts, germ plasm, organisms, vectors, plants, plant products, or other regulated commodities or articles subject to inspection, laboratory testing, certification, or quarantine. In this document we are providing notice to the public of the reimbursable overtime fees for fiscal year 2003 (October 1, 2002, through September 30, 2003).

Under the regulations in 7 CFR 354.1(a) and 9 CFR 97.1(a), any person, firm, or corporation having ownership, custody, or control of plants, plant products, animals, animal byproducts, or other commodities or articles subject to inspection, laboratory testing, certification, or quarantine who requires the services of an APHIS employee on a Sunday or holiday, or at any other time outside the regular tour of duty of that employee, shall sufficiently in advance of the period of Sunday, holiday, or overtime service request the APHIS inspector in charge to furnish the service during the overtime or Sunday or holiday period, and shall, for fiscal year 2003, pay the Government at the rate listed in the following table:

Overtime for inspection, laboratory testing, certification, or quarantine of plants, plant products, animals, animal products or other regulated commodities	
Outside the employee's normal tour of duty	Overtime rates (per hour) Oct. 1, 2002-Sept. 30, 2003
Monday through Saturday and holidays	\$46.00
Sundays	61.00

As specified in 7 CFR 354.1(a)(1)(iii) and 9 CFR 97.1(a)(3), the overtime rates

to be charged in fiscal year 2003 to owners or operators of aircraft at airports of entry or other places of inspection as a consequence of the operation of the aircraft, for work performed outside of the regularly established hours of service will be as follows:

Overtime for commercial airline inspection services ¹	
Outside the employee's normal tour of duty	Overtime rates (per hour) Oct. 1, 2002-Sept. 30, 2003
Monday through Saturday and holidays	\$37.00
Sundays	49.00

¹ These charges exclude administrative overhead costs.

A minimum charge of 2 hours shall be made for any Sunday or holiday or unscheduled overtime duty performed by an employee on a day when no work was scheduled for him or her, or which is performed by an employee on his or her regular workday beginning either at least 1 hour before his or her scheduled tour of duty or which is not in direct continuation of the employee's regular tour of duty. In addition, each such period of Sunday or holiday or

unscheduled overtime work to which the 2-hour minimum charge provision applies may include a commuted traveltime period (see 7 CFR 354.1(a)(2) and 9 CFR 97.1(b)).

User Fees for Import- and Export-Related Veterinary Services

APHIS charges user fees for import- and export-related veterinary services. The regulations in 9 CFR part 130 list user fees for import- and export-related services provided by APHIS for animals, animal products, birds, germ plasm, organisms, and vectors.

These user fees are authorized by section 2509(c)(1) of the Food, Agriculture, Conservation, and Trade Act of 1990, as amended (21 U.S.C. 136a). APHIS is authorized to establish and collect fees that will cover the cost of providing import- and export-related services for animals, animal products, birds, germ plasm, organisms, and vectors.

On August 28, 2000, we published in the **Federal Register** (65 FR 51997–52010, Docket No. 97–058–2) a final rule that amended the regulations in 9 CFR part 130 by adjusting our user fees for import- and export-related services that we provide for animals, animal products, birds, germ plasm, organisms,

and vectors and by setting user fees for these services for fiscal years 2001 through 2004 and beyond. Additionally, on August 1, 2001, we published in the **Federal Register** (66 FR 39628–39632, Docket No. 99–060–2) another final rule that amended the regulations by updating some of the user fees in 9 CFR part 130. When we proposed to establish the user fees for fiscal years 2001 through 2004 and beyond, we stated that, prior to the beginning of each fiscal year, we would publish a notice to remind the public of the user fees for that fiscal year. This document provides notice to the public of the user fees for fiscal year 2003 (October 1, 2002, through September 30, 2003). The specific services and user fees are described below.

We provide standard and nonstandard housing, care, feed, and handling for individual animals and certain birds¹ quarantined in APHIS-owned or -operated animal quarantine facilities, including APHIS Animal Import Centers. quarantined in an APHIS-owned or -operated quarantine facility at the request of an importer or as required by an APHIS representative. As specified in § 130.2(b), the daily user fee for each bird or poultry receiving nonstandard housing, care, or handling while

quarantined in an APHIS-owned or -operated animal quarantine facility for fiscal year 2003 is \$5.50 for birds weighing 250 grams or less, and doves, pigeons, and quail; \$13 for birds weighing 251 to 1,000 grams and poultry such as chickens, ducks, grouse,
