

the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash-deposit rate for all other manufacturers or exporters will continue to be the "All Others" rate for the relevant order made effective by the final results of review published on July 26, 1993 (see *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof From France, et al; Final Results of Antidumping Duty Administrative Reviews and Revocation in Part of an Antidumping Duty Order*, 58 FR 39729 (July 26, 1993), and, for BBs from Italy, see *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof From France, et al; Final Results of Antidumping Duty Administrative Reviews, Partial Termination of Administrative Reviews, and Revocation in Part of Antidumping Duty Orders*, 61 FR 66472 (December 17, 1996)). These rates are the "All Others" rates from the relevant less-than-fair-value investigations.

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative reviews.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

We are issuing and publishing these determinations in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 30, 2001.

Bernard T. Carreau,

Acting Assistant Secretary for Import Administration.

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions in effect as of December 31, 1994. In addition, unless otherwise indicated, all citations to the Department of Commerce's (the Department's) regulations refer to 19 CFR part 353 (April 1997).

Amended Final Determination

On September 27, 2000, the Department of Commerce published its *Amended Final Determinations of Sales at Less Than Fair Value: Certain Cold-Rolled and Corrosion Resistant Carbon Steel Flat Products from Germany* (68 FR 58044). In that determination, the Department stated that it was not necessary to change the cash deposit rates for Thyssen Stahl AG with respect to either product because new cash deposit rates had been established in administrative reviews subsequent to the less-than-fair-value investigations. However, an administrative review for Thyssen had been completed only with respect to cold-rolled carbon steel flat products. Therefore, we must amend the cash deposit rate for Thyssen from 4.18% to 10.02% *ad valorem* with respect to corrosion resistant carbon steel flat products from Germany.

Cash Deposit Instructions

The cash deposit rate of 10.02% *ad valorem* for Thyssen Stahl AG with respect to corrosion resistant carbon

steel flat products from Germany will be effective upon publication of this notice of amended final determination on all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date.

This amended final determination and notice are in accordance with section 736(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.20(a)(4).

Dated: January 26, 2001.

Bernard T. Carreau,

Fulfilling the duties of Assistant Secretary for Import Administration.

Stainless Steel Bar From India; Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission of Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of 1999-2000 administrative review and partial rescission of administrative review of stainless steel bar from India.

SUMMARY: In response to requests from interested parties, the Department of Commerce is conducting an administrative review of the antidumping duty order on stainless steel bar from India with respect to Panchmahal Steel Limited. This review covers sales of stainless steel bar to the United States during the period February 1, 1999, through January 31, 2000.

We have preliminarily determined that, during the period of review, Panchmahal Steel Limited made sales below normal value. If these preliminary results are adopted in our final results of administrative review, we will instruct the Customs Service to assess antidumping duties equal to the difference between the export price and the normal value.

Interested parties are invited to comment on these preliminary results. Parties who submit argument are also requested to submit (1) a statement of the issue and (2) a brief summary of the argument.

EFFECTIVE DATE: February 5, 2001.
