

SUPPLEMENTARY INFORMATION: On November 5, 2001, the Department of Defense (DoD) published a notice of a Nationwide TRICARE Demonstration Project (66 FR 55928–55930). On October 1, 2004, the Department of Defense (DoD) published a notice (69 FR 58895) to extend the Demonstration through October 31, 2005. On October 12, 2005, the Department of Defense (DoD) published a notice (70 FR 59320) to extend the Demonstration through October 31, 2007. The continued activation of Reserve Component members in support of Noble Eagle/ Operation Enduring Freedom and Operation Iraqi Freedom warrants the continuation of the Demonstration to support the healthcare needs and morale of family members of activated Reservists and guardsmen. The National Defense Authorization Act of 2005 amended existing statutes to authorize the Secretary of Defense to provide these benefits permanently by regulation. The Demonstration needs to be extended to allow sufficient time to complete the rule-making process. The impact, if the Demonstration is not extended before the regulation is completed, includes higher out-of-pocket costs and potential inability of beneficiaries to continue to use the same provider for ongoing care. There are three separate components to the demonstration. First, those who participate in TRICARE Standard will not be responsible for paying the TRICARE Standard deductible. By law, the TRICARE Standard deductible for active duty dependents is \$150 per individual, \$300 per family (\$50/\$150 for E–4's and below).

The second component extends TRICARE payment up to 115 percent of the TRICARE maximum allowable charge, less the applicable patient co-payment, for care received from a provider that does not participate (accept assignment) under TRICARE to the extent necessary to ensure timely access to care and clinically appropriate continuity of care.

Third, the Demonstration authorizes a waiver of the non-availability statement requirement of non-emergency inpatient care. This Demonstration project is being conducted under the authority of 10 U.S.C. 1092. This Demonstration is extended through October 31, 2008.

Notice of Solicitation for Estuary Habitat Restoration Program

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of solicitation for project applications.

SUMMARY: Congress has appropriated limited funds to the U.S. Army Corps of Engineers (Corps) to implement the Estuary Habitat Restoration Program as authorized in Section 104 of the Estuary Restoration Act of 2000, Title I of the Estuaries and Clean Waters Act of 2000 (Pub. L. 106–457) (accessible at http://era.noaa.gov/pdfs/act_s835.pdf). On behalf of the Estuary Habitat Restoration Council (Council), the Corps is soliciting proposals for estuary habitat restoration projects. This document describes project criteria and evaluation criteria the Council will use to determine which projects to recommend. Recommended projects must provide ecosystem benefits, have scientific merit, be technically feasible, and be cost-effective. Proposals selected for Estuary Habitat Restoration Program funding will be implemented in accordance with a cost-share agreement with the Corps. This is not a grants program.

DATES: Proposals must be received on or before August 20, 2007.

ADDRESSES: Proposal forms may be accessed at http://www.usace.army.mil/cw/cecwp/estuary_act/index.htm or by contacting the individuals listed in the following section. Project proposals may be submitted electronically, by mail, or by courier. Electronic submissions are preferred and will facilitate processing. Please follow the detailed instructions
