

investigation that resulted in the issuance of such order.

Analysis

Based on our analysis of the requesters' circumvention inquiry requests, we determine that they have satisfied the criteria under 19 CFR 351.226(c), and thus, pursuant to 19 CFR 351.226(d)(1)(iii), we are initiating the requested circumvention inquiries. For a full discussion of the basis for our decision to initiate the circumvention inquiries, see the Circumvention Initiation Checklists. As explained in the Circumvention Initiation Checklists, the information provided by the requesters warrants initiating the circumvention inquiries on a country-wide basis. Commerce has taken this approach in prior circumvention inquiries, where the facts warranted initiation on a country-wide basis.⁷

Consistent with the approach in the prior circumvention inquiries that were initiated on a country-wide basis, Commerce intends to solicit information from certain companies in the third countries concerning their production of aluminum containers and their shipments thereof to the United States.

Respondent Selection

Commerce intends to base respondent selection on U.S. Customs and Border Protection (CBP) data. Commerce intends to place the CBP data on each record within five days of the publication of this initiation notice, which will be available on Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. Comments regarding the CBP data and respondent selection should be submitted within seven days after placement of the CBP data on the record of the relevant inquiry.

Commerce intends to establish a schedule for questionnaire responses after respondent selection. A company's failure to completely respond to Commerce's requests for information may result in the application of facts available, pursuant to section 776(a) of the Act, which may include adverse inferences, pursuant to section 776(b) of the Act.

Suspension of Liquidation

Pursuant to 19 CFR 351.226(l)(1), Commerce will notify CBP of these initiations and direct CBP to continue

the suspension of liquidation of entries of products subject to the circumvention inquiries that were already subject to the suspension of liquidation under the *Orders* and to apply the cash deposit rates that would be applicable if the products were determined to be covered by the scope of the *Orders*.

Should Commerce issue affirmative preliminary or final circumvention determinations, Commerce will follow the suspension of liquidation rules under 19 CFR 351.226(l)(2)–(4). In the event that Commerce issues affirmative preliminary or final circumvention determinations that the products are circumventing the *Orders*, Commerce will instruct CBP to continue the suspension of liquidation of previously suspended entries and to apply the applicable cash deposit rate. Commerce will also instruct CBP to begin the suspension of liquidation and application of cash deposits for any unliquidated entries not yet suspended, entered, or withdrawn from warehouse, for consumption, on or after the date of publication of the notice of initiation of the circumvention inquiries pursuant to paragraphs (l)(2)(ii) and (l)(3)(ii). In addition, pursuant to paragraphs (l)(2)(iii)(A) and (l)(3)(iii)(A), Commerce may instruct CBP to begin the suspension of liquidation and application of cash deposits for any unliquidated entries not yet suspended, entered, or withdrawn from warehouse, for consumption, prior to the date of initiation of the circumvention inquiries, but not for such entries prior to November 4, 2021, the effective date of these provisions in the *Final Rule*.⁸ These rules will not affect CBP's authority to take any additional action with respect to the suspension of liquidation or related measures for these entries, as stated in 19 CFR 351.226(l)(5).

Notification to Interested Parties

In accordance with 19 CFR 351.226(d) and section 781(b) of the Act, Commerce determines that the requesters' requests for circumvention inquiries satisfy the requirements of 19 CFR 351.226(c). Accordingly, Commerce is notifying all interested parties of the initiation of the circumvention inquiries to determine whether aluminum containers from China, which are completed in and exported from the third countries using aluminum foil manufactured in China, are circumventing the *Orders*. In addition, we have included a

description of the products that are the subject to the inquiries and an explanation of Commerce's decision to initiate the inquiries as provided in the accompanying Circumvention Initiation Checklists.⁹

In accordance with 19 CFR 351.226(e)(1), unless the circumvention inquiries are rescinded, in whole or in part, or extended, Commerce intends to issue its preliminary circumvention determinations no later than 150 days from the date of publication of the notices of initiation of these circumvention inquiries in the **Federal Register**. Furthermore, in accordance with section 781(f) of the Act and 19 CFR 351.226(e)(2), unless the circumvention inquiries are rescinded, in whole or in part, or extended, Commerce intends to issue its final determinations within 300 days from the date of publication of the notice of initiation of the circumvention inquiries in the **Federal Register**.

This notice is published in accordance with section 781(b) of the Act, and 19 CFR 351.226(d)(1)(iii).

SUPPLEMENTARY INFORMATION:**Background**

On March 3, 2016, Commerce published in the **Federal Register** the AD order on uncoated paper from Portugal.¹ On May 8, 2024, Commerce initiated an administrative review of the *Order*, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).² This review covers one producer/exporter of subject merchandise, Navigator.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. We calculated constructed export price in accordance with section 772 of the Act. We calculated normal value in accordance with section 773 of the Act.

For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). In addition, a complete version of the Preliminary Decision Memorandum is available at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Preliminary Results of Review

We preliminarily determine that the following weighted-average dumping margin exists for the period March 1, 2023, through February 29, 2024:

Exporter/producer	Estimated weighted-average dumping margin (percent)
The Navigator Company, S.A.	10.92

Disclosure

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results or, if there is no public announcement, within five days of the date of publication of this notice.⁷

Verification

On August 14, 2024, the petitioner requested that Commerce conduct verification of Navigator in this review.⁸ Accordingly, as provided in section 782(i)(3) of the Act, Commerce intends to verify certain information relied upon in making its final results of review.

Public Comment

Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs to Commerce no later than seven days after the date on which the verification report is issued in this administrative

review. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁹ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁰

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹¹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹²

Interested parties who wish to request a hearing must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary, filed electronically via ACCESS.¹³ Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.¹⁴ If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date. Parties are reminded that all briefs and hearing requests must be filed electronically

using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time within 30 days after the publication of this notice.

Assessment Rates

Upon completion of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If Navigator's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). If Navigator's weighted-average dumping margin is zero or *de minimis* in the final results of review, or if an importer-specific assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁵

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Navigator for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the original less-than-fair value (LTFV) investigation (i.e., 7.80 percent)¹⁶ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁷

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Navigator in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original LTFV investigation but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 7.80 percent,¹⁸ the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: July 7, 2025.
