

Meeting will be held at the Naval Heritage Center Conference Room, 701, Pennsylvania Avenue, NW., Washington DC 20004. Pursuant to 41 CFR 102–3.160, the Administrative Work Meeting will be closed to the public.

Written Statements: Pursuant to 41 CFR 102–3.105(j) and 102–3.140, the public or interested organizations may submit written statements to the membership of the Panel at any time or in response to the stated agenda of a planned meeting. Written statements should be submitted to the Panel's Designated Federal Officer; the Designated Federal Officer's contact information can be obtained from the General Services Administration's Federal Advisory Committee Act Database—<https://www.fido.gov/facadatabase/public.asp>.

Written statements that do not pertain to the scheduled meeting of the Panel may be submitted at any time. However, if individual comments pertain to a specific topic being discussed at a planned meeting, then these statements must be submitted no later than five (5) business days prior to the meeting in question. The Designated Federal Officer will review all submitted written statements and provide copies to all the committee members.

Public Comments: In addition to written statements, the Panel will set aside one (1) hour for individual or interested groups to address the Panel. To ensure consideration of their comments, individuals and interested groups should submit written statements as outlined in this notice; but if they still want to address the Panel, then they will be afforded the opportunity to register to address the Panel. The Panel's Designated Federal Officer will have a "Sign Up Roster" available at the Panel meeting, for registration on a first-come, first-serve basis. Those wishing to address the Panel will be given no more than five (5) minutes to present their comments, and at the end of the one (1) hour time period no further public comments will be accepted. Anyone who signs up to address the Panel but is unable to do so due to the time limitation, may submit their comments in writing; however, they must understand that their written comments may not be reviewed prior to the Panel's deliberation. Accordingly, the Panel recommends that individuals and interested groups consider submitting written statements instead of addressing the Panel.
