The NRC requests that any party soliciting or aggregating comments received from other persons for submission to the NRC inform those persons that the NRC will not edit their comments to remove any identifying or contact information, and therefore, they should not include any information in their comments that they do not want publicly disclosed.

The NRC will hold four public meetings to receive comments on the draft GEIS one in each of the NRC regions. The meetings will be held on the following dates and locations: September 15, 2009, DoubleTree Atlanta Perimeter, 6120 Peachtree Dunwoody Road, Atlanta, Georgia 30328; September 17, 2009, Boston Marriott Newton, 2345 Commonwealth Avenue, Newton, Massachusetts 02466; September 22, 2009, Hyatt Westlake Plaza, 880 South Westlake Boulevard, Westlake Village, California 91361; and September 24, 2009, DoubleTree Oak Brook, 1909 Spring Road, Oak Brook, Illinois 60523. The regional public meetings will start at 7 p.m. and will continue until 10 p.m., or until all members of the public have had an opportunity to present comments.

In addition, one rulemaking meeting will be held on October 1, 2009, at NRC Headquarters, Two White Flint North, 11545 Rockville Pike, Rockville, Maryland 20852. The October 1st meeting will be webstreamed to maximize the potential to include interested stakeholders via the NRC's Web site at <http://www.nrc.gov/public-involve/public-meetings/webcast-live.html>. The NRC Headquarters meeting will begin at 1 p.m.

The primary purpose for the meetings is to provide the public with an opportunity to comment on the draft revised GEIS. Each public meeting will be transcribed to record all comments. Written comments may also be submitted for the record at each of the meetings. The public meetings will begin with a brief overview of the draft revision and summary of the major environmental impact issues that were addressed in the draft GEIS revision. Members of the public are also invited to attend an informational open house two hours before the start of each regional public meeting. The NRC staff will be on hand to answer questions about the GEIS revision, and provide

general information about the NRC and the license renewal program.

Members of the public interested in presenting oral comments at the public meetings may pre-register by contacting Jennifer Davis, the NRC Project Manager at 1-800-368-5642, extension 3835, or by e-mail at LRGEISUpdate@nrc.gov, by September 9, 2009. The public may also register to provide oral comments up to 15 minutes before the start of each public meeting. The amount of time allowed for individual oral comments may be limited to afford time for everyone to speak, and will also depend on the number of persons who pre-register. If special accommodations or equipment are needed at the public meeting, the need should be brought to Ms. Davis's attention no later than September 1, 2009, to provide sufficient time for the NRC staff to accommodate the request.

Concurrent with the GEIS revision, the NRC is also publishing the revised Regulatory Guide (RG) 4.2, Supplement 1, Revision 1, *Preparation of Environmental Reports for Nuclear Power Plant License Renewal Applications*; and revised NUREG-1555, Supplement 1, Revision 1, *Standard Review Plans for Environmental Reviews for Nuclear Power Plants (ESRP)*. Comments submitted on RG 4.2, Supplement 1, Revision 1, and ESRP, Supplement 1, Revision 1, will also be considered.
