

from other companies that exported during the POI and the new shipper review will be rescinded as to the company.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct CBP to collect a bond or other security in lieu of a cash deposit in new shipper reviews. Therefore, the posting of a bond under section 751(a)(2)(B)(iii) of the Act in lieu of a cash deposit is not available in this case. Importers of certain preserved mushrooms manufactured and exported by Zhangzhou Gangchang and Zhejiang Iceman must continue to pay a cash deposit of estimated antidumping duties on each entry of subject merchandise (*i.e.*, certain preserved mushrooms) at the current PRC-wide rate of 198.63 percent.

Interested parties may submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and this notice are issued and published in accordance with section 751(a)(2)(B) of the Act and sections 351.214 and 351.221(c)(1)(i) of the Department's regulations.

Dated: September 26, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Certain Color Television Receivers From the People's Republic of China: Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from petitioner Five Rivers Electronic Innovations, LLC, ("Five Rivers" or "petitioner"), the Department of Commerce ("the Department") initiated an administrative review of the antidumping duty order on certain color television receivers ("CTVs") from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 44220 (July 30, 2008). This

administrative review covers the June 1, 2007, through May 31, 2008 period of review ("POR"). Due to the withdrawal of the request for the administrative review by Five Rivers for all companies for which it requested a review, we are now rescinding this review, pursuant to 19 CFR 351.213(d)(1).

DATES: *Effective Date:* October 2, 2008.

FOR FURTHER INFORMATION CONTACT:

Karine Gziryan or Zhulieta Willbrand, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4081 or (202) 482-3147, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 25, 2004, the Department published in the **Federal Register** the amended antidumping duty order on certain color television receivers from the PRC. See *Notice of Amended Antidumping Duty Order: Certain Color Television Receivers from the People's Republic of China*, 69 FR 35583 (June 25, 2004) ("Order"). On June 9, 2008, the Department published a notice of "Opportunity to Request an Administrative Review" of the Order for the POR. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 73 FR 32557, 32558 (June 9, 2008). On June 26, 2008, the petitioner requested that the Department conduct an administrative review of sales of merchandise by the following 13 companies: Haier Electric Appliances International Co., Hisense Import and Export Co., Ltd., Konka Group Company, Ltd., Philips Consumer Electronics Co. of Suzhou Ltd., Shenzhen Chaungwei-RGB Electronics Co., Ltd., Sichuan Changhong Electric Co., Ltd., Starlight International Holdings, Ltd., Star Light Electronics Co., Ltd., Star Fair Electronics Co., Ltd., Starlight Marketing Development Ltd., SVA Group Co., Ltd., TCL Holding Company Ltd., and Xiamen Overseas Chinese Electronic Co., Ltd. In response to this request, the Department published the initiation of the antidumping duty administrative review on certain color television receivers from the PRC on July 30, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 44220, 44221 (July 30, 2008). No other party requested a review.

On August 18, 2008, TCL Multimedia Technology Holdings Ltd., a PRC producer of subject merchandise, and its wholly-owned U.S. subsidiary, TTE Technology, Inc., a U.S. importer of subject merchandise, (collectively, "TCL"), submitted a letter in which it claimed that the subject merchandise it entered for consumption during the review period was re-exported to Canada and not sold within the United States to unaffiliated customers. For this reason, it requested that the Department rescind the review with respect to TCL and liquidate TCL's entries during the review period without regard to antidumping duties. TCL repeated its request on September 23, 2008.

On August 21, 2008, Xiamen Overseas Chinese Electronic Co., Ltd. ("Xiamen") provided a submission in which it alleged that this administrative review should be terminated because the review request was not made by a domestic interested party as required by the Department's regulations. According to Xiamen, the petitioner filed for bankruptcy in October 2004, and has not produced CTVs in the United States in nearly two years. Since the petitioner did not produce CTVs during the review period, Xiamen argued that it is not entitled to request an administrative review of this order.

On September 17, 2008, petitioner withdrew its request of review of all companies for which it requested review.

Rescission of the Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Petitioner withdrew its requests for review for all companies within the 90-day time limit. No other company had requested a review of these or any other companies. Therefore, in response to the withdrawal of requests for administrative reviews by petitioner, the Department hereby rescinds the administrative review of the antidumping duty order on certain color television receivers from the PRC for the period June 1, 2007, through May 31, 2008, for all 13 companies listed above. For companies that have a separate rate, the Department intends to issue assessment instructions to the U.S. Customs and Border Protection ("CBP") 15 days after the date of publication of this notice. Since this is a full rescission of the administrative review, we will also issue liquidation instructions for

the PRC-wide entity to CBP 15 days after the date of publication of this notice.

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 26, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

National Oceanic and Atmospheric Administration

[Docket No. 080626787-81262-05]

RIN 0648-ZB96

Availability of Grants Funds for Fiscal Year 2009

AGENCY: National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Commerce

ACTION: Notice

SUMMARY: The National Oceanic and Atmospheric Administration, National Ocean Service, publishes this notice on the Modeling the Causes of Hypoxia component of the Northern Gulf of Mexico program to extend the original proposal due date.

DATES: The new deadline for the receipt of proposals is 3 p.m. EST, November 20, 2008, for both electronic and paper applications.

ADDRESSES: The address for submitting proposals electronically is: <http://www.grants.gov/>. (Electronic submission is strongly encouraged). Paper submissions should be sent to the attention of, Center for Sponsored Coastal Ocean Research (N/SCI2), National Oceanic and Atmospheric Administration, 1305 East-West Highway, SSMC4, 8th Floor Station 8240, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Libby Jewett, (libby.jewett@noaa.gov, 301-713-3338 x 121).

SUPPLEMENTARY INFORMATION: This program was originally solicited in the **Federal Register** on July 11, 2008, as part of the July 2008 NOAA Omnibus solicitation. The original deadline for receipt of proposals was 3 p.m., EST, on October 20, 2008. NOAA is extending the solicitation period to provide the public more time to submit proposals. The new deadline for the receipt of proposals is November 20, 2008, for both electronic and paper applications. All other requirements for this solicitation remain the same.

Award Notices

The notice of award is signed by the NOAA Grants Officer and is the authorizing document. It is provided by postal mail or electronically through the Grants Online system to the appropriate business office of the recipient organization.

Administrative and National Policy Requirements

The Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements

The Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements contained in the **Federal Register** notice of February 11, 2008 (73 FR 7696) are applicable to this solicitation.

Limitation of Liability

In no event will NOAA or the Department of Commerce be responsible for proposal preparation costs if these programs fail to receive funding or are cancelled because of other agency priorities. Publication of this announcement does not oblige NOAA to award any specific project or to obligate any available funds.

National Environmental Policy Act (NEPA)

NOAA must analyze the potential environmental impacts, as required by the National Environmental Policy Act (NEPA), for applicant projects or proposals which are seeking NOAA Federal funding opportunities. Detailed information on NOAA compliance with NEPA can be found at the following NOAA NEPA website: <http://www.nepa.noaa.gov/>, including our NOAA Administrative Order 216-6 for NEPA, http://www.nepa.noaa.gov/NAO216_6_TOC.pdf, and the Council on Environmental Quality implementation regulations, http://ceq.eh.doe.gov/nepa/regs/ceq/toc_mceq.htm. Consequently, as part of an applicant's package, and under their description of their program activities, applicants are required to provide

detailed information on the activities to be conducted, locations, sites, species and habitat to be affected, possible construction activities, and any environmental concerns that may exist (e.g., the use and disposal of hazardous or toxic chemicals, introduction of non-indigenous species, impacts to endangered and threatened species, aquaculture projects, and impacts to coral reef systems).

In addition to providing specific information that will serve as the basis for any required impact analyses, applicants may also be requested to assist NOAA in drafting of an environmental assessment, if NOAA determines an assessment is required. Applicants will also be required to cooperate with NOAA in identifying and implementing feasible measures to reduce or avoid any identified adverse environmental impacts of their proposal. The failure to do so shall be grounds for the denial of an application.

In conformance with the Uniform Administrative Requirements for Grants and Cooperative Agreements section 15 CFR 14.36, any data collected in projects supported by NCCOS/CSCOR should be delivered to a National Data Center (NDC), such as the National Oceanographic Data Center (NODC), in a format to be determined by the institution, the NDC, and the Program Officer. Information on NOAA NDCs can be found at <http://www.nesdis.noaa.gov/datainfo.html>. It is the responsibility of the institution for the delivery of these data; the DOC will not provide additional support for delivery beyond the award. Additionally, all biological cultures established, molecular probes developed, genetic sequences identified, mathematical models constructed, or other resulting information products established through support provided by NCCOS/CSCOR are encouraged to be made available to the general research community at no or modest handling charge (to be determined by the institution, Program Officer, and DOC).

Reporting

All performance (i.e. technical progress) reports shall be submitted electronically through the Grants Online system unless the recipient does not have internet access. In that case, performance reports are to be submitted to the NOAA program manager. All financial reports shall be submitted in the same manner.
