A. Regulatory History and Information

On March 29, 2013, the Coast Guard published a notice of proposed rulemaking (NPRM) entitled Security Zones; Captain of the Port Detroit in the **Federal Register** (78 FR 19161). No comments were received in response to the March 29, 2013 publication in the **Federal Register**; a public meeting was not requested, and no public meetings were held.

In addition to the aforementioned NPRM, the Coast Guard had published multiple temporary final rules (TFRs) in the past in response to the Annual North American International Auto Show (NAIAS), annually establishing a temporary security zone to protect participants and spectators associated with the NAIAS. Because this event will likely continue to recur annually, the Captain of the Port Detroit is establishing a permanent security zone, thus alleviating the need to publish annual TFRs in the future.

B. Basis and Purpose

For two weeks in the month of January, the Annual North American International Auto Show will be held at Cobo Hall in downtown Detroit, MI. The NAIAS is the prime venue for introducing the world's most anticipated vehicles. In 2013, the NAIAS attendance for the public showing was nearly 800,000 people and press preview days attracted over 5,000 journalists representing 62 countries. Attendance and participation at the 2012 and 2011 NAIAS events were similar, and the attendance and participation at future NAIAS events is anticipated to be similar too.

In years past, NAIAS has attracted numerous protesters from various organizations due to the state of the economy, worker layoffs, and the closures of automotive dealerships
