

to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until August 4, 2003. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Ben Hayes, ATF National Tracing Center, 244 Needy Road, Martinsburg, WV 25401.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Interstate Firearms Shipment Report of Theft/Loss.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number:* ATF F 3310.6. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Business or other for-profit. Other: None. The form is part of a voluntary program in which the common carrier and/or shipper report losses or thefts of firearms from interstate shipments. ATF uses this

information to ensure that the firearms are entered into the National Crime Information Center to initiate investigations and to perfect criminal cases.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 550 respondents will complete a 20-minute form.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 182 annual total burden hours associated with this collection.

Description: OSHA is proposing to extend the information-collection requirements specified in the Benzene Standard (29 CFR 1910.1028). The information-collection requirements specified in the Benzene Standard protect employees from the adverse health effects that may result from occupational exposure to benzene. The major information-collection requirements in the Standard include conducting employee exposure monitoring, notifying employees of their benzene exposures, implementing a written compliance program, implementing medical surveillance of employees, providing examining physicians with specific information, ensuring that employees receive a copy of their medical-surveillance results, maintaining employees' exposure-monitoring and medical-surveillance records for specific periods, and providing access to these records by OSHA, the National Institute for

Occupational Safety and Health, the employee who is the subject of the records, the employee's representative, and other designated parties.

Ira L. Mills,

Departmental Clearance Officer.

Labor Research Advisory Council; Reestablishment

In accordance with the provisions of the Federal Advisory Committee Act, and after consultation with General Services Administration, I have determined that reestablishment of the Labor Research Advisory Council is in the public interest in connection with the performance of duties imposed on the Department of Labor.

The Council will advise the Commissioner of Labor Statistics regarding the statistical and analytical work of the Bureau of Labor Statistics,

providing perspectives on these programs in relation to the needs of the labor unions and their members.

Council membership and participation in the Council and its subcommittees are broadly representative of union organizations of all sizes of membership, with national coverage that reflects the geographical, industrial, and occupational sectors of the economy.

The Council will function solely as an advisory body and in compliance with the provisions of the Federal Advisory Committee Act. The Charter will be filed with the Library of Congress and the appropriate congressional committees.

Interested persons are invited to submit comments regarding reestablishment of the Labor Research Advisory Council. Such comments should be addressed to: Deborah P. Klein, Associate Commissioner, Office of Publications and Special Studies, Bureau of Labor Statistics, Department of Labor, Postal Square Building, 2 Massachusetts Avenue, NE.,
