OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. WTO/DS–214]

WTO Consultations Regarding U.S. Safeguard Measures on Line Pipe and Wire Rod

AGENCY: Office of the United States Trade Representative.

ACTION: Notice, request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) is providing notice that on December 1, 2000, the European Communities (EC)

requested WTO consultations with the United States regarding Sections 201 and 202 of the Trade Act of 1974, section 311 of the NAFTA Implementation Act, and the U.S. safeguard measures on imports of line pipe and wire rod. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although the USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before January 15, 2001 to be assured of timely consideration by USTR.

ADDRESSES: Submit comments to Sandy McKinzy, Monitoring and Enforcement Unit, Office of the General Counsel, Room 122 Office of the United States Trade Representative, 600 17th Street, N.W., Washington, D.C., 20508, Attn: EC Line Pipe and Wire Rod Dispute. Telephone: (202) 395–3582.

FOR FURTHER INFORMATION CONTACT:

David J. Ross, Associate General Counsel, Office of the United States Trade Representative, 600 17th Street, N.W., Washington, DC, (202) 395–3581.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Consistent with this obligation, but in an effort to provide additional opportunity for comments, USTR is providing notice that consultations have been requested pursuant to the WTO Dispute Settlement Understanding. If such consultations should fail to resolve the matter and a dispute settlement panel is established pursuant to the DSU, such panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations within six to nine months after it is established.

Major Issues Raised by the European Commission

The EC claims that sections 201 and 202 of the Trade Act of 1974 (19 U.S.C. 2251 and 2252) contain provisions relating to the determination of a causal link between increased imports and injury or threat thereof which prevent the United States from respecting Articles 4 and 5 of the WTO Agreement on Safeguards (Safeguards Agreement). It also claims that section 311 of the NAFTA Implementation Act (19 U.S.C. 3371) contains provisions concerning imports from Canada and Mexico which do not respect what it characterizes as
