

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), San Bernardino County Museum has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after July 28, 2025.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Gabrielle Carpentier, San Bernardino County Museum, 2024 Orange Tree Lane, Redlands, CA 92374, email gabrielle.carpentier@sbcm.sbcounty.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of San Bernardino County Museum, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, two individuals have been identified. The three associated funerary objects are ground stone. Human remains found in Taft (Lost Hills area) include two cranium caps and 11 bags of fragmented mandible and other fragmented bone. Based on reference by Mark Sutton in PCAS Quarterly 55 (2&3), this site is listed in a site inventory table named Summary of Excavation Projects in the Buena Vista Lake Region with the following information: Site No. is CA-KER-2421, Site Area is Lost Hills. CA-KER-2421 (SBCM-201) was collected in 1939 by Gerald A. Smith.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

San Bernardino County Museum has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- The three objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Tejon Indian Tribe.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after July 28, 2025. If competing requests for repatriation are received, San Bernardino County Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. San Bernardino County Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.
