DEPARTMENT OF HOMELAND SECURITY

U.S. Citizenship and Immigration Services

Agency Information Collection Activities: Extension of an Existing Information Collection; Comment Request

ACTION: 30-Day Notice of Information Collection Under Review; Form N-600, Application for Certificate of Citizenship; OMB Control No. 1615-0057.

The Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection was previously published in the **Federal Register** on April 20, 2007, at 72 FR 19946 allowing for a 60-day public comment period. USCIS did not receive any comments on this information collection.

The purpose of this notice is to allow an additional 30 days for public comments. Comments are encouraged and will be accepted until July 30, 2007. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Department of Homeland Security (DHS), USCIS, Chief, Regulatory Management Division, Clearance Office, 111 Massachusetts Avenue, 3rd floor, Washington, DC 20529. Comments may also be submitted to DHS via facsimile to 202-272-8352 or via e-mail atrfs.regs@dhs.gov, and to the OMB USCIS Desk Officer via facsimile at 202-395-6974 or via e-mail at kastrich@omb.eop.gov.

When submitting comments by e-mail, please make sure to add OMB Control Number 1615-0057 in the subject box. Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies' estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this Information Collection:

(1) Type of Information Collection: Extension of an existing information collection.

(2) Title of the Form/Collection: Application for Certificate of Citizenship.

(3) Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection: Form N-600; U.S. Citizenship and Immigration Services.

(4) Affected public who will be asked or required to respond, as well as a brief abstract: *Primary:* Individuals or households. USCIS uses the information on the form to make a determination that the citizenship eligibility requirements and conditions are met by the applicant.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: 88,500 responses at 1 hour and 35 minutes (1.583 hours) per response.

(6) An estimate of the total public burden (in hours) associated with the collection: 140,095 annual burden hours.

Geological Survey

Climate Change Science Program Committee for Synthesis and Assessment Product 1.2: Past Climate Variability and Change in the Arctic and at High Latitudes

AGENCY: U.S. Geological Survey, DOI.

ACTION: Notice of meeting.

SUMMARY: The USGS-CCSP Committee for Synthesis and Assessment Product 1.2: Past Climate Variability and Change in the Arctic and at High Latitudes will meet in the Hampton Inn in Lakewood, Colorado on July 12-13, 2007.

Agenda: The goal of the meeting is to produce a detailed outline of the structure of the Synthesis and Assessment Product and to identify key areas of input and to create a list of potential contributing authors for these areas. Records under consideration will include, but not necessarily be limited to, paleo-records from tree rings, ice cores, lake sediments, pollen records, distributions of marine and terrestrial organisms as well as isotopic indicators measured on them, and the temporal evolution of terrestrial depositional and erosional environments. The agenda will focus on the key topics of the past record of change in Arctic sea ice extent, in the status of the Greenland ice sheet, paleo-temperature and paleo-precipitation records, and past intervals of rapid climate change. The meeting is open to the public at the times listed below. Pre-registration is required to attend. Contact the Designated Federal Officer (DFO) at the address given below by July 9, 2007 to pre-register and receive a copy of the meeting agenda. Public involvement in the meeting is encouraged. Prepared statements may be presented orally to the Committee on Thursday, July 12, 2007 between 11 a.m. and noon. Public statements will be limited to 3 minutes per person. For scheduling reasons, intent to make a public statement must be established at the time of pre-registration. A written copy of the oral statement must be left with the Committee's DFO at the
