Section 1605(b) provides that the Buy American requirement shall not apply in any case or category in which the head of a Federal department or agency finds that: (1) Applying the Buy American requirement would be inconsistent with the public interest; (2) iron, steel, and the relevant manufactured goods are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality, or (3) inclusion of iron, steel, and manufactured goods will increase the cost of the overall project by more than 25 percent. Section 1605(c) provides that if the head of a Federal department or agency makes a determination pursuant to section 1605(b), the head of the department or agency shall publish a detailed written justification in the **Federal Register**.

In accordance with section 1605(c) of the Recovery Act and OMB's implementing guidance published on April 23, 2009 (74 FR 18449), this notice advises the public that, on April 1, 2011, upon request of the Minneapolis Public Housing Authority, HUD granted an exception to applicability of the Buy American requirements with respect to work, using CFRFC grant funds. The exception was granted by HUD on the basis that the relevant manufactured goods (CFLs and energy efficient fluorescent electronic light ballasts) are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality.
