Notice of Request To Release Airport Property

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of Intent to Rule on Request to Release Airport Property at the Sullivan Regional Airport (UUV), Sullivan, Missouri.

SUMMARY: The FAA proposes to rule and invites public comment on the release of land at the Sullivan Regional Airport, Sullivan, Missouri, under the provisions of 49 U.S.C. 47107(h)(2).

DATES: Comments must be received on or before April 30, 2014.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: J.T. Hardy, City Administrator, City of Sullivan, 210 W. Washington, Sullivan, MO 63080, 573-468-4612.

FOR FURTHER INFORMATION CONTACT:

Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust Room 364, Kansas City, MO 64106, (816) 329-2644,

lynn.martin@faa.gov. The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 20.7 acres of airport property, at the Sullivan Regional Airport (UUV) under the provisions of 49 U.S.C. 47107(h)(2). On December 26, 2013, the City Administrator of the City of Sullivan, MO requested from the FAA that approximately 20.7 acres of property, be released for sale to Aerofil Technology, Inc. for use as a light packaging, warehousing and distributing operation. On March 14, 2014, the FAA determined that the request to release property at the Sullivan Regional Airport (UUV) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Sullivan Regional Airport (UUV) is proposing the release of one parcel, containing 20.7 acres. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at the Sullivan Regional Airport (UUV) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at the Sullivan Regional Airport.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Sullivan Regional Airport.

Issued in Kansas City, MO, on March 21, 2014.

Edward A. Hyatt,

Acting Manager Airports Division.

MAP-21 Section 1306 Financial Penalties Guidance

AGENCY: Federal Highway Administration (FHWA), Federal Transit Administration (FTA), Department of Transportation (DOT).

ACTION: Notice of availability.

SUMMARY: The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) are issuing joint guidance on the implementation of the financial penalty provisions contained in Section 1306 of the Moving Ahead for Progress in the 21st Century Act (MAP-21). The financial penalty provisions require Federal agencies of jurisdiction (Reviewing Agency) to render a decision on a permit, license, or other approval related to a transportation project within 180 days from the later of the date FHWA or FTA issue a Record of Decision or Finding of No Significant Impacts for a project, or the date on which an application for a permit, license, or approval for the project is complete. If the Reviewing Agency does not render a decision by the 180-day deadline, it is subject to a rescission of funds of \$10,000 or \$20,000 per week until the Reviewing Agency renders a decision. The FHWA and FTA have the authority to grant “no-fault” certifications if the Reviewing Agency’s failure to decide was due to circumstances beyond its control. You may review the guidance by visiting FHWA’s Web site at <http://www.fhwa.dot.gov/map21>, or FTA’s Web site at <http://www.fta.dot.gov/map21>.

DATES: This Guidance is effective on March 31, 2014.

FOR FURTHER INFORMATION CONTACT: For FHWA: Bruce Bender, Office of Project Delivery and Environmental Review, (202) 366-2851, or Jomar Maldonado, Office of the Chief Counsel, (202) 366-1373, Federal Highway Administration, 1200 New Jersey Ave. SE., Washington,

DC 20590-0001. For FTA: Elizabeth Patel, Office of Planning and Environment, (202) 366-0244, or Dana Nifosi, Office of Chief Counsel, (202) 366-4011, Federal Transit Administration, 1200 New Jersey Ave. SE., Washington, DC 20590-0001. Office hours are from 8:00 a.m. to 4:30 p.m. e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: Section 1306 of MAP-21 (Pub. L. 112-141, 126 Stat. 535) codified in 23 U.S.C. 139 that “[a] Federal agency of jurisdiction over an approval required for a project under applicable laws shall complete any required approval on an expeditious basis using the shortest existing applicable process.” 23 U.S.C. 139(h)(6)(A). If a Reviewing Agency fails to decide within a specific timeframe, an amount shall be rescinded from the applicable office of the head of the agency not later than 1 day after the applicable date and once each week thereafter until a final decision is rendered. The rescission amount is equal to \$20,000 per week if the project will be funded under Title 23, U.S. Code, and is estimated to cost more than \$100 million, or \$10,000 per week for any other projects requiring an environmental assessment or environmental impact statement under FHWA’s or FTA’s procedures implementing the National Environmental Policy Act of 1969 (NEPA). The applicable date is described as the later of (I) the date that is 180 days after the date on which an application for the permit, license, or approval is complete; and (II) the date that is 180 days after the date on which the Federal lead agency issues a decision on the project under NEPA. 23 U.S.C. 139(h)(6)(B)(ii).

The FHWA and FTA developed this guidance in coordination with the Reviewing Agencies that are most likely to be affected by this provision; however, it is not intended to guide their implementation specifically. The guidance provides a framework for FHWA and FTA personnel to make “no-fault” certifications and serves as a consensus document to help inform agency-specific implementation by the Reviewing Agencies. The guidance is available online at www.fhwa.dot.gov/map21, and www.fta.dot.gov/map21.

Authority: Sec. 1306, Pub. L. 112-141, 126 Stat. 535 (2012).

Issued on: March 25, 2014.

Deputy Administrator, Federal Highway Administration.

Therese McMillan,

Deputy Administrator, Federal Transit Administration.
