

the final results of this review and the respondent reported entered values, we will calculate importer-specific *ad valorem* assessment rates for the merchandise based on the ratio of the total amount of dumping calculated for the examined sales made during the POR to each importer and the total entered value of those same sales, in accordance with 19 CFR 351.212(b)(1). If the respondent has not reported entered values, we will calculate a per-unit assessment rate for each importer by dividing the total amount of dumping calculated for the examined sales made to that importer by the total quantity associated with those transactions. To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values.

Where an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with 19 CFR 351.106(c)(2). If a respondent's weighted-average dumping margin is zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries without regard to antidumping duties.¹⁴

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by any of the above-referenced respondents for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate in the original less-than-fair-value (LTFV) investigation (as amended)¹⁵ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S.

Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent, and therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation, but the producer is, then the cash deposit rate will be the rate established for the most recent segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers and exporters will continue to be 8.31 percent, the all-others rate established in the LTFV investigation (as amended).¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure

to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: August 6, 2024.

SUPPLEMENTARY INFORMATION:

Background

On July 20, 2020, Commerce published the countervailing duty (CVD) order on collated staples from China.¹ On September 11, 2023, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the *Order* on 123 producers/exporters.² On March 6, 2024, Commerce postponed the preliminary results until July 30, 2024, in accordance with section 751(a)(3)(A) of Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(2).³ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁴ The current deadline for the preliminary results is now August 6, 2024.

For a description of the events that occurred since the initiation of this review, *see* the Preliminary Decision Memorandum.⁵ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. Order, *see* the Preliminary Decision Memorandum.

Rescission of Administrative Review, In Part

On September 22, 2023, Kyocera Senco Industrial Tools, Inc. (the petitioner) withdrew its request for review with respect to 118 companies.⁶ On October 4, 2023, Vina Hardwares Joint Stock Company withdrew its request for review.⁷ On December 11, 2023, Shanghai Yueda Nail Co., Ltd. and Tianjin Hweschun withdrew their requests for review.⁸ On December 11, 2023, Black & Decker (US) Inc. withdrew its request for review for products manufactured by YF Technology Corporation (Thailand) Ltd., and/or exported by YF Technology Corporation Limited.⁹ The only company requested for review and for which not all review requests have been withdrawn is Tianjin Hweschun.¹⁰ Because we received timely withdrawals of request for review for these 122 companies, pursuant to 19 CFR 351.213(d)(1), we are rescinding the administrative review of these companies. We have included a list of these 122 companies in Appendix II of this notice.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.¹¹ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, *see* the Preliminary Decision Memorandum.¹²

Tianjin Hweschun Fasteners Manufacturing Co., Ltd.	70.10

Assessment Rates

For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2022, through December 31, 2022, in accordance with 19 CFR 351.212(c)(1)(i). For the companies for which this review is rescinded, we intend to issue appropriate assessment instructions to CBP no earlier than 35 days after the

date of publication of this notice in the **Federal Register**.

For Tianjin Hweschun, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at the subsidy rates calculated in the final results of this review. For Tianjin Hweschun, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for Tianjin Hweschun listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Stainless Steel Sheet and Strip in Coils From the Republic of Korea: Final Results of Antidumping Duty Administrative Review; 2022-2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that stainless steel sheet and strip in coils from the Republic of Korea (Korea) were sold in the United States at less than normal value during the period of review (POR) July 1, 2022, through June 30, 2023.

DATES: Applicable August 12, 2024.

FOR FURTHER INFORMATION CONTACT: Jerry Xiao, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2273.

SUPPLEMENTARY INFORMATION:

Background

On April 2, 2024, Commerce published in the *Federal Register* the preliminary results of the 2022-2023 administrative review¹ of the antidumping duty order on stainless steel sheet and strip in coils from Korea. The review covers the sole mandatory respondent, Korinox Co., Ltd. (Korinox). We invited interested parties to comment on the *Preliminary Results*.² On May 2, North American Stainless and Outokumpu Stainless USA (collectively, the domestic interested parties) submitted a case brief.³ On April 25, 2024, an interested party submitted comments on the record.⁴ On May 7, 2024, the domestic interested parties filed a rebuttal brief.⁵ Because

² *Id.*

³ See Domestic Interested Parties' Letters, "Case Brief Submitted on Behalf of Domestic Interested Parties," dated May 2, 2024.

⁴ Because this submission contained untimely new factual information, Commerce subsequently rejected and removed this submission from the record. See Commerce's Letter, "Rejection of Westfalia Inc.'s Submission Containing New Factual Information," dated July 18, 2024; see also Memorandum, "Reject and Remove Submission," dated July 18, 2024.

⁵ Because this rebuttal brief only contained comments concerning Westfalia's submission, which was removed from the record, Commerce

Commerce received no comments requiring changes to the *Preliminary Results*, we have not modified our analysis and no decision memorandum accompanies this **Federal Register** notice. Accordingly, the final results are unchanged from the *Preliminary Results*, and we are adopting the *Preliminary Results* as the final results of this review. On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days. The deadline for the final results is now August 7, 2024.⁶ Commerce conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The products subject to the order are certain stainless steel sheet and strip in coils. For a complete description of the scope of the order, see the *Preliminary Results*.

Use of Adverse Facts Available

As discussed in the *Preliminary Results*, Commerce determined the weighted-average dumping margin for Korinox on the basis of adverse facts available, pursuant to sections 776(a) and (b) of the Act. Accordingly, because no interested parties requested changes from the *Preliminary Results*, we made no changes to our findings pursuant to sections 776(a) and (b) of the Act, and continue to rely entirely upon facts available with adverse inferences in the final results.

Final Results of Review

We determine the following estimated weighted-average dumping margin exists for the POR:

Exporter or producer	Weighted-average dumping margin (percent)
Korinox Co., Ltd	58.79
