SUPPLEMENTARY INFORMATION: The ODS Strategic Plan for 2017–2021 presents a refreshed set of goals, strategies, and activities that ODS plans for the next 5 years. It also provides a review of ODS activities and accomplishments between 2010 and 2016, and includes examples of ODS collaborative projects and programs and summaries of its extramural investments. It was shaped by input, comments, and advice from ODS's stakeholder communities throughout the federal government, academia, the dietary supplement industry, consumer advocacy and education groups, and interested consumers.

Background

The mission of ODS is to support, conduct, and coordinate scientific research and provide intellectual leadership for the purpose of strengthening the knowledge and understanding of dietary supplements to foster an enhanced quality of life and health for the U.S. population. ODS was established in the Office of the Director, NIH, in 1995 as a major provision of the Dietary Supplement Health and Education Act of 1994.
