

proceedings under Section 19(b)(2)(B) of the Act⁵ to determine whether to approve or disapprove the proposed rule change.⁶ On March 16, 2017, the Exchange filed a response to the Order Instituting Proceedings.⁷

Section 19(b)(2) of the Act⁸ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of the filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on November 17, 2016.⁹ The 180th day after publication of the notice of the filing of the proposed rule change in the **Federal Register** is May 16, 2017.

The Commission finds that it is appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹⁰ designates July 15, 2017, as the date by which the Commission shall either approve or disapprove the proposed rule change (File No. SR-NYSE-MKT-2016-99).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹
