In addition to this program, the Office of University Partnerships administers HUD's ongoing grant programs to institutions of higher education as well as creates initiatives through which colleges and universities can bring their traditional missions of teaching, research, service, and outreach to bear on the pressing local problems in their communities.

The HBCU program provides funds for a wide range of CDBG-eligible activities including housing rehabilitation and financing, property demolition or acquisition, public facilities, economic development, business entrepreneurship, and fair housing programs.

The Catalog Federal Domestic Assistance number for this program is 14.520.

On March 21, 2005 (70 FR 13693), HUD published a Notice of Funding Availability (NOFA) announcing the availability of \$9.92 million in Fiscal Year 2005, plus \$3.327 million in previously unobligated funds for the HBCU program. Of this amount, \$2.4 million was made available to HBCU applicants that had not been funded in the past (applicants could request up to \$400,000) and \$10.8 million to HBCU applicants that had been previously funded (applicants could request up to \$600,000). The Department reviewed, evaluated, and scored the applications received based on the criteria in the NOFA. As a result, HUD has funded the applications below, in accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545).
