

### III. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change is consistent with Section 6(b)(5) or any other provision of the Act, or the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.<sup>13</sup>

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change should be approved or disapproved by September 25, 2020. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by October 9, 2020.

The Commission asks that commenters address the sufficiency of the Exchange's statements in support of the proposal, which are set forth in the Notice,<sup>14</sup> and any other issues raised by the proposed rule change under the Act. As discussed above, the Exchange proposes to adopt generic listing standards for Options-Linked Securities. The Exchange takes the position that the proposed Options-Linked Securities generic listing standards would continue to ensure transparency surrounding the listing process for Linked Securities. The Exchange also states that the standards for listing and trading Options-Linked Securities are reasonably designed to promote a fair and orderly market for such securities.

The Commission seeks commenters' views regarding whether the proposal is designed to protect investors and the public interest, and, in particular, whether there is adequate transparency and disclosure related to the options to

which Options-Linked Securities or Multifactor Index-Linked Securities are proposed to be linked. In addition, the Commission seeks comment regarding whether additional requirements, either qualitative or quantitative, relating to either the generic listing standards for Options Linked Securities or the definition of Options Reference Assets, would help to ensure that the proposal is designed to prevent fraudulent and manipulative acts and practices.

## Applicants

1. The Trust is a statutory trust organized under the laws of the State of Delaware and will consist of one or more series operating as ActiveShares ETFs. The Trust will be registered as an open-end management investment company under the Act. Applicants seek relief with respect to Funds (as defined below), including an initial Fund (the “Initial Fund”). The Funds

will operate as ActiveShares ETFs as described in the Reference Order.<sup>2</sup>

2. The Adviser, a California corporation, will be the investment adviser to the Initial Fund. An Adviser (as defined below) will serve as investment adviser to each Fund. The Adviser is, and any other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 (“Advisers Act”). The Adviser may enter into sub-advisory agreements with other investment advisers to act as sub-advisers with respect to the Funds (each a “Sub-Adviser”). Any Sub-Adviser will be registered under the Advisers Act.

3. The Distributor is a Delaware limited liability company and a broker-dealer registered under the Securities Exchange Act of 1934, as amended, and will act as the principal underwriter of Shares of the Funds. Applicants request that the requested relief apply to any distributor of Shares, whether affiliated or unaffiliated with the Adviser and/or Sub-Adviser (included in the term “Distributor”). Any Distributor will comply with the terms and conditions of the Order.

## Applicants’ Requested Exemptive Relief

4. Applicants seek the requested Order under section 6(c) of the Act for an exemption from sections 2(a)(32), 5(a)(1), and 22(d) of the Act and rule 22c–1 under the Act, under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act, and under section 12(d)(1)(j) of the Act for an exemption from sections 12(d)(1)(A) and 12(d)(1)(B) of the Act. The requested Order would permit applicants to offer ActiveShares ETFs. Because the relief requested is the same as the relief granted by the Commission under the Reference Order and because the Adviser has entered into a licensing agreement with Precidian Funds LLC in order to offer ActiveShares ETFs,<sup>3</sup> the Order would incorporate by reference the terms and conditions of the Reference Order.

5. Applicants request that the Order apply to the Initial Fund and to any other existing or future open-end management investment company or series thereof that: (a) Is advised by the

Adviser or any entity controlling, controlled by, or under common control with the Adviser (any such entity included in the term “Adviser”); (b) operates as an ActiveShares ETF as described in the Reference Order; and (c) complies with the terms and conditions of the Order and of the Reference Order, which is incorporated by reference into the Order (each such company or series and the Initial Fund, a “Fund”).<sup>4</sup>

6. Section 6(c) of the Act provides that the Commission may exempt any person, security or transaction, or any class of persons, securities or transactions, from any provisions of the Act, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 17(b) of the Act authorizes the Commission to exempt a proposed transaction from section 17(a) of the Act if evidence establishes that the terms of the transaction, including the consideration to be paid or received, are reasonable and fair and do not involve overreaching on the part of any person concerned, and the transaction is consistent with the policies of the registered investment company and the general purposes of the Act. Section 12(d)(1)(j) of the Act provides that the Commission may exempt any person, security, or transaction, or any class of persons, securities or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Applicants submit that for the reasons stated in the Reference Order the requested relief meets the exemptive standards under sections 6(c), 17(b) and 12(d)(1)(j) of the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
