BILLING CODE 7510–13–P

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: 25–020]

Guidance on Referrals for Potential Criminal Enforcement

ACTION: Notice.

SUMMARY: This notice describes the National Aeronautics and Space Administration's (NASA) plans to address criminally liable regulatory offenses under the recent executive order on Fighting Overcriminalization in Federal Regulations.

FOR FURTHER INFORMATION CONTACT:

Emily Pellegrino, Federal Register Liaison Officer, Office of the Executive Secretariat, NASA Headquarters, Washington, DC 20546, via email at emily.a.pellegrino@nasa.gov or hq-nasa-regactions@mail.nasa.gov or (202) 358–1525.

SUPPLEMENTARY INFORMATION: On May 9, 2025, the President issued Executive Order (“E.O.”) 14294, Fighting Overcriminalization in Federal Regulations, 90 FR 20363 (published May 14, 2025). Section 7 of E.O. 14294 provides that within 45 days of the order, and in consultation with the Attorney General, each agency should publish guidance in the **Federal Register** describing its plan to address criminally liable regulatory offenses.

Consistent with that requirement, NASA advises the public that by May 9, 2026, the Agency, in consultation with the Attorney General, will provide to the Director of the Office of Management and Budget (“OMB”) a report containing: (1) a list of all criminal regulatory offenses¹ enforceable by the Department of Justice (“DOJ”) via a referral by NASA; and (2) for each such criminal regulatory offense, the range of potential criminal penalties for a violation and the applicable mens rea standard² for the criminal regulatory offense.

This notice also announces a general policy, subject to appropriate exceptions and to the extent consistent with law, that when NASA is deciding whether to refer alleged violations of criminal regulatory offenses to DOJ, officers and employees of NASA should consider, among other factors:

- the harm or risk of harm, pecuniary or otherwise, caused by the alleged offense;
- the potential gain to the putative defendant that could result from the offense;
- whether the putative defendant held specialized knowledge, expertise, or was licensed in an industry related to the rule or regulation at issue; and
- evidence, if any is available, of the putative defendant's general awareness of the unlawfulness of his conduct as well as his knowledge or lack thereof of the regulation at issue.

This general policy is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Emily A. Pellegrino,

Federal Register Liaison Officer, National Aeronautics and Space Administration.
