DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Statement of Organization, Functions, and Delegations of Authority

This notice amends Part R of the Statement of Organization, Functions and Delegations of Authority of the Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA) (60 FR 56605, as amended November 6, 1995; as last amended at 88 FR 10124–10125 dated February 16, 2023).

This reorganization updates the functions within the Maternal and Child Health Bureau, Maternal and Child Health Workforce Development.

Chapter RM—Maternal Child Health Bureau

Section RM.20 Function

Delete the functional statement for the Maternal and Child Health Bureau (RM), Division of Maternal and Child Health Workforce Development (RM4) in its entirety and replace with the following:

Division of Maternal and Child Health Workforce Development (RM4)

The Division of Maternal and Child Health Workforce Development provides national leadership and direction in educating and training our nation's current and future leaders in maternal and child health (MCH). The Division also provides leadership through state and community-based capacity building programs. Special emphasis is placed on the development and implementation of interprofessional, family- and person-centered, community-based and culturally responsive systems of care across the life course.

The Division supports programs established and/or expanded in federal law to complement state and local health efforts. The Division partners with state MCH programs, academic institutions, professional organizations, and other health training programs of the federal government to ensure that the MCH workforce development programs are grounded in emerging and evidence-based practices. Specifically,

the Division carries out the following activities related to these programs: (1) supports a continuum of training investments to develop MCH leaders at the undergraduate, graduate, and post-graduate levels and workforce development investments for practicing professionals in the areas of public health, clinical practice, teaching, research, and/or administration/policy designed to promote and improve the health and well-being of infants, children, adolescents, children with special health care needs, and transition-age youth and young adults; (2) provides grants that support innovative, community-based initiatives to improve the health of infants, children, adolescents, and their families in rural and other underserved communities by increasing access to preventive care and services; (3) develops policies and guidelines and promotes standards through professional and public education and training activities for the Bureau; (4) develops, coordinates and implements technical assistance and consultation to state and local agencies and organizations or groups concerned with the promotion of health and prevention of disease among infants, children, adolescents, children with special health care needs, and transition-age youth and young adults; (5) provides national guidance and leadership in addressing MCH public health workforce needs; (6) accounts for the administration of funds and other resources for grants, contracts, cooperative agreements and programmatic consultation and assistance; (7) coordinates with other Maternal and Child Health Bureau divisions and offices in promoting program objectives and the mission of the Bureau; (8) provides liaison with public, private, professional and voluntary organizations on programs and activities; (9) disseminates information and resources on its training and workforce development activities grantees, partners, and stakeholders; and (10) participates in the development of strategic plans, regulatory activities, policies, legislative proposals, and budget submissions.

Section RM.30 Delegation of Authority

All delegations of authority and re-delegations of authority made to officials and employees of affected organizational components will continue in them or their successors pending further redelegation, if allowed, provided they are consistent with this reorganization.

This reorganization is effective upon date of signature.

(Authority: 44 U.S.C. 3101)

Carole Johnson,
Administrator.

Health Resources and Services Administration

Enhancing Systems of Care for Children With Medical Complexity Coordinating Center Funding Supplement

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Announcing supplemental funding for Enhancing Systems of Care for Children with Medical Complexity Coordinating Center.

SUMMARY: HRSA will provide supplemental funding to the Enhancing Systems of Care for Children with Medical Complexity Coordinating Center during fiscal year 2023 to provide training, resources, and education to support states in their efforts to sustainably finance patient/family centered health care homes for children with medical complexity (CMC).

FOR FURTHER INFORMATION CONTACT: Anna Maria Padlan, Public Health Analyst, Division of Services for Children with Special Health Needs, Maternal and Child Health Bureau, Health Resources and Services Administration, at APadlan@hrsa.gov and 301–443–1737.

SUPPLEMENTARY INFORMATION:

Intended Recipient(s) of the Award: AcademyHealth.

Amount of Non-Competitive Award(s): \$450,000/year. Supplemental funding for similar activities may be considered in fiscal year 2024, subject to availability of funding for the activity and satisfactory performance of the recipient.

Project Period: September 1, 2023, to August 31, 2024.

Assistance Listing (CFDA) Number: 93.110.

Award Instrument: Supplement for Services.

Authority: Social Security Act, Title V, Section 501(a)(2) (42 U.S.C. 701(a)(2)).

TABLE 1—RECIPIENT AND AWARD AMOUNT

Grant No.	Award recipient name	City, state	Award amount
UJ6MC45789	AcademyHealth	Washington, DC	\$450,000

Justification: The Enhancing Systems of Care for Children with Medical Complexity Coordinating Center provides national leadership through training, support, and education to five demonstration projects implementing patient/family centered models of care delivery. Additional funding is needed to create consistent and sustainable policies, strategies, and partnerships that every state can adapt when providing access to a patient and family centered health care home for all CMC and their families. Most CMC do not have access to high quality patient-centered care focused on their complex care needs and one key reason is lack of sustainable financing of these care models. As a result of this supplemental funding, (1) more states will receive training, education and resources to provide stable and sufficient financing for patient and family centered health care homes for all CMC; (2) common measures will be developed for use across federal programs; and (3) state and jurisdictional Title V programs will be better positioned to work with state Medicaid agencies regarding the needs of the maternal and child health population, especially children and youth with special health care needs/CMC. Because of the current grantee's work in Medicaid financing, implementation science, and the CMC population, they are best positioned to work with state Title V and Medicaid programs, as well as families, clinicians, health care organizations, and other stakeholders, to support state Medicaid and Title V agencies in their efforts.

HRSA will award \$450,000 to the award recipient noted in Table I.

Carole Johnson,
Administrator.

National Biodefense Science Board Public Meeting

AGENCY: Administration for Strategic Preparedness and Response (ASPR), U.S. Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The National Biodefense Science Board (NBSB) will publicly meet using an online format. Notice of the meeting is required under section 10 (a)(2) of the Federal Advisory Committee Act (FACA). The NBSB provides expert advice and guidance to HHS regarding current and future chemical, biological, radiological, and nuclear threats, as well as other matters related to disaster preparedness and response. ASPR manages and convenes the NBSB on behalf of the Secretary of HHS.

DATES: Monday, August 28, 2023 (1 p.m.–3 p.m. ET).

FOR FURTHER INFORMATION CONTACT: Dr. Lara Lamprecht, National Advisory Committees (NAC) Branch Chief; NBSB Designated Federal Official, (202) 578-7321; NBSB@HHS.GOV.

SUPPLEMENTARY INFORMATION:

Procedures for Public Participation: The public and expert stakeholders are invited to observe the meeting. Pre-registration (Zoom) is required. Anyone may submit questions and comments to the NBSB by email (NBSB@hhs.gov) before the meeting. American Sign Language translation and Communication Access Real-Time Translation will be provided.

Representatives from industry, academia, health professions, health care consumer organizations, non-Federal Government agencies, or community-based organizations may request up to seven minutes to speak directly to the Board. Requests to speak to the Board will be approved in consultation with the Board Chair and based on time available during the meeting. Requests to speak to the NBSB during the public meeting must be sent to NBSB@hhs.gov by close of business on August 14, 2023. Please provide the full name, credentials, official position(s), and relevant affiliations for the speaker and a brief description of the intended topic. Presentations that contain material with a commercial bias, advertising, marketing, or solicitations will not be allowed. A meeting summary will be available on the NBSB website post meeting.

Dawn O'Connell,

Assistant Secretary for Preparedness and Response.
