Greater Maricopa Foreign-Trade Zone, Inc., grantee of FTZ 277, submitted a notification of proposed production activity to the FTZ Board on behalf of Maxwell Technologies, Inc. (Maxwell), located in Peoria, Arizona. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 27, 2014.

A separate application for usage-driven designation at the Maxwell facility was submitted and will be processed under Section 400.38 of the Board's regulations. The facility is used

for the manufacturing of electrodes and capacitors. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Aluminum foil and carbon powder (duty rate ranges from 4.8% to 5.3%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 18, 2014.
