Title: Regulation C—Home Mortgage Disclosure.

OMB Control No.: 1557–0345.

Type of Review: Regular.

Affected Public: Businesses or other for-profit.

Description: The Consumer Financial Protection Bureau's (CFPB), Regulation C,¹ which implements the Home Mortgage Disclosure Act (HMDA)² requires certain depository and non-depository institutions that make certain mortgage loans to collect, report, and disclose data about originations and purchases of mortgage loans as well as data about loan applications that do not result in originations. HMDA requires the generation of loan data that can be used to: (1) help determine whether depository and non-depository institutions are serving the housing needs of their communities; (2) assist

public officials in distributing public-sector investments so as to attract private investment to areas where it is needed; and (3) assist in identifying possible discriminatory lending patterns and enforcing anti-discrimination statutes.

Twelve CFR 1003.5 requires the disclosure and reporting of data on mortgage loans. Section 1003.5(a)(1)(i) provides that by March 1 following the calendar year for which data are collected and recorded, a financial institution must submit its annual loan/application register in electronic format to the appropriate Federal agency at the address identified by such agency. An authorized representative of the financial institution with knowledge of the data submitted must certify to the accuracy and completeness of data submitted. The financial institution must retain a copy of its annual loan/application register for at least three years.

Section 1003.5(a)(1)(ii) provides that within 60 calendar days after the end of each calendar quarter, except the fourth quarter, a financial institution that reported for the preceding calendar year at least 60,000 covered loans and applications, combined, excluding purchased covered loans, must submit to the appropriate Federal agency its loan/application register containing all data required to be recorded for that quarter. The financial institution must submit its quarterly loan/application register in electronic format at the address identified by the appropriate Federal agency for the institution.

Under section 1003.5(a)(2), a financial institution that is a subsidiary of a bank or savings association must complete a separate loan/application register. The subsidiary must submit the loan/application register, directly or through its parent, to the appropriate Federal agency for the subsidiary's parent at the address identified by the agency.

Section 1003.5(b)(1) provides that the Federal Financial Institutions Examination Council (FFIEC) will make available a disclosure statement based on the data each financial institution submits for the preceding calendar year.

Section 1003.5(b)(2) provides that no later than three business days after receiving notice from the FFIEC that a financial institution's disclosure statement is available, the financial institution must make available to the public upon request at its home office, and each branch office physically located in each Metropolitan Statistical Area (MSA) and each Metropolitan Division (MD), a written notice that clearly conveys that the institution's disclosure statement may be obtained

¹ 12 CFR part 1003.

² 12 U.S.C. 2801 *et seq.*

on the CFPB's website. A financial institution must make this notice available for a period of five years.

Section 1003.5(c)(1) provides that a financial institution must make available to the public upon request at its home office, and each branch office physically located in each MSA and each MD, a written notice that clearly conveys that the institution's loan/application register, as modified by the CFPB to protect applicant and borrower privacy, may be obtained on the CFPB's website. A financial institution shall make available the notice following the calendar year for which the data are collected. A financial institution must make the notice available to the public for a period of three years.

Section 1003.5(d)(2) provides that a financial institution may make available to the public, at its discretion, its disclosure statement or its loan/application register, as modified by the CFPB to protect applicant and borrower privacy.

Section 1003.5(e) provides that a financial institution must post a general notice about the availability of its HMDA data in the lobby of its home office and of each branch office physically located in each MSA and each MD.
