SUPPLEMENTARY INFORMATION: PHMSA received a special permit request from Gulf South Pipeline Company, LP, (GSPC) to deviate from the federal pipeline safety regulations in 49 CFR 192.611, for one segment of 30-inch diameter, Index 330 Pipeline, located in St. Mary Parish, Louisiana, where the class location has changed from a Class 1 location to a Class 3 location. The application requests a new permit to operate the existing Class 1 pipe in the new Class 3 location for the segment from survey station 527+87 to 567+51 (3964 feet).

The proposed special permit inspection area extends from survey station 0+03, the start of the Index 330 Pipeline at Bayou Sale Junction, to survey station 1212+28 at the Weeks Island Junction. The Inspection Area is 22.96 miles long (121,558 feet) and extends from St. Mary Parish to Iberia Parish in Louisiana.

In lieu of pipe replacement, GSPC seeks permission to perform alternative risk control activities based on integrity management program principles and requirements.

The special permit request provided by the operator includes a draft environmental assessment (EA), proposed special permit conditions, and location map. These documents are filed at <http://www.Regulations.gov>, in Docket No. PHMSA-2019-0015. We invite interested persons to participate by reviewing the proposed special permit documents and draft EA at <http://www.Regulations.gov>, and by submitting written comments, data or other views. Please include any comments on potential safety and environmental impacts that may result if the special permit is granted.

Before issuing a decision on the special permit request, PHMSA will evaluate all comments received on or before the comment closing date. Comments received after the comment closing date will be evaluated if it is possible to do so without incurring additional expense or delay. PHMSA will consider each relevant comment we receive in making our decision to grant or deny a request.

Issued in Washington, DC, on March 20, 2019, under authority delegated in 49 CFR 1.97.

Linda Daugherty,

Deputy Associate Administrator for Field Operations.
