

Total points	Guideline recommendation
If Points = 4+	Deny parole and schedule a rehearing based on estimated time to achieve program objectives or by reference to the time ranges in paragraph (l) of this appendix, whichever is less.

(2) Prison officials may in any case recommend an earlier rehearing date than ordered by the Commission if the Commission's program objectives have been met.

(o)(1) The Commission may, in unusual circumstances, waive the Salient Factor Score and the pre- and post-incarceration factors set forth in this section to grant or deny parole to a prisoner notwithstanding the guidelines, or to schedule a reconsideration hearing at a time different from that indicated in paragraph (l) of this appendix. Unusual circumstances are case-specific factors that are not fully taken into account in the guidelines, and that are relevant to the grant or denial of parole. In such cases, the Commission shall specify in the notice of action the specific factors that it relied on in departing from the applicable guideline or guideline range. For examples of factors that may warrant a decision outside the applicable guideline range, see § 2.80(n).

(2) If the prisoner is deemed to be a poorer or more serious risk than the guidelines indicate, the Commission shall determine what Base Point Score would more appropriately fit the prisoner's case, and shall render its initial and rehearing decisions as if the prisoner had that higher Base Point Score. If possible, the factors justifying such a departure shall be fully accounted for in the initial continuance, so that the guidelines can be followed at subsequent hearings. In some cases, however, an extreme level of risk presented by the prisoner may make it inappropriate for the Commission to contemplate a parole at any hearing without a significant change in the prisoner's circumstances.

4. Section 2.86 is revised to read as follows:

§ 2.86 Release on parole; rescission for misconduct.

(a) When a parole effective date has been set, actual release on parole on that date shall be conditioned upon the individual maintaining a good conduct record in the institution or prerelease program to which the prisoner has been assigned.

(b) The Commission may reconsider any grant of parole prior to the prisoner's actual release on parole, and may advance or retard a parole effective date or rescind a parole date previously granted based upon the receipt of any

new and significant information concerning the prisoner, including disciplinary infractions. The Commission may retard a parole date for disciplinary infractions (*e.g.*, to permit the use of graduated sanctions) for up to 120 days without a hearing, in addition to any retardation ordered under § 2.83(d).

(c) If a parole effective date is rescinded for disciplinary infractions, an appropriate sanction shall be determined—

(1) By reference to § 2.36 in the case of a prisoner subject to the guidelines at § 2.80; or

(2) In the case of a prisoner subject to the guidelines at the appendix to § 2.80, either by adding the appropriate points for negative institutional behavior to the prisoner's Total Point Score, or by reference to § 2.36 if the misconduct is not sufficiently serious to warrant a continuance under § 2.80 (k). A Total Point Score of 0–2 shall be adjusted to a total point score of 3 prior to adding points for negative institutional behavior pursuant to the Point Assignment Table at § 2.80(f).

(c) After a prisoner has been granted a parole effective date, the institution shall notify the Commission of any serious disciplinary infractions committed by the prisoner prior to the date of actual release. In such case, the prisoner shall not be released until the institution has been advised that no change has been made in the Commission's order granting parole.

(d) A grant of parole becomes operative upon the authorized delivery of a certificate of parole to the prisoner, and the signing of that certificate by the prisoner, who thereafter becomes a parolee.
