DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

December 8, 2005.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), *Pamela_Beverly_OIRA_Submission@OMB.EOP.GOV* or fax (202) 593-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comment regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Cooperative State Research, Education, and Extension Service

Title: Application for Authorization to Use the 4-H Name and/or Emblem.

OMB Control Number: 0524-0034.

Summary of Collection: Use of the 4-H Name and/or Emblem is authorized by an Act of Congress, (Pub. L. 772, 80th Congress, 645, 2nd Session). Use of the 4-H Club Name and/or Emblem by anyone other than the 4-H Clubs and those duly authorized by them, representatives of the Department of Agriculture, the Land-Grant colleges and universities, and person authorized by the Secretary of Agriculture is prohibited by the provisions of 18 U.S.C. 707. The Secretary has delegated authority to the Administrator of the Cooperative State Research, Education, and Extension Service (CSREES) to authorize others to use the 4-H Name and Emblem. Therefore, anyone requesting authorization from the Administrator to use the 4-H Name and Emblem is asked to describe the proposed use in a formal application. CSREES will collect information using form CSREES-01 "Application for Authorization to use the 4-H Club Name or Emblem."

Need and Use of the Information: CSREES will collect information on the name of individual, partnership, corporation, or association; organizational address, name of authorized representative; telephone number; proposed use of the 4-H Name or Emblem, and plan for sale or distribution of product. The information collected by CSREES will be used to determine if those applying to use the 4-H name and emblem are meeting the requirements and quality of materials, products and/or services provided to the public. If the information were not collected, it would not be possible to ensure that the products, services, and materials meet the high standards of 4-H, its educational goals and objectives.

Description of Respondents: Not-for-profit institutions; Individuals or households; Business or other for-profit.

Number of Respondents: 60.

Frequency of Responses: Reporting: Other (every 3 years).

Total Burden Hours: 45.

Ruth Brown,

Departmental Information Collection Clearance Officer.

Description of Information Collection

Title: Report of Acreage for the Bioenergy Program.

OMB Number: 0560-0207.

Expiration Date: May 31, 2006.

Type of Request: Extension with revision.

Abstract: USDA collects information from bioenergy producers that request payments under the Bioenergy Program as the Secretary may require to ensure the benefits are paid only to eligible bioenergy producers for eligible commodities. Bioenergy producers seeking program payments have to meet minimum requirements by providing information concerning the production of bioenergy. Applicants must certify that they will abide by the Bioenergy Program Agreement's provisions.

Respondents: U.S. bioenergy producers who use eligible agricultural commodities to make bioenergy and have been accepted to participate in the Bioenergy Program.

Estimated Annual Number of Respondents: 300.

Estimated Annual Number of Forms per person: 11.

Estimated Average Time to Respond: 1 hour.

Estimated Total Annual Burden Hours: 3,300.

Comments are invited regarding (1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden, including the validity of the methodology and assumption used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the submission for OMB approval.

Signed in Washington, DC on December 7, 2005.

Teresa C. Lasseter,

Executive Vice-President, Commodity Credit Corporation.

Information Collection Activity; Comment Request

AGENCY: Rural Utilities Service, USDA.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended), the Rural Utilities Service (RUS) invites comments on this information collection for which RUS intends to request approval from the Office of Management and Budget (OMB).

DATES: Comments on this notice must be received by February 13, 2006.

FOR FURTHER INFORMATION CONTACT:

Richard C. Annan, Program Development & Regulatory Analysis, Rural Utilities Service, USDA, 1400 Independence Ave., SW., STOP 1522, Room 5818 South Building, Washington, DC 20250-1522. Telephone: (202) 720-0784. FAX: (202) 720-4120.

SUPPLEMENTARY INFORMATION:

Title: 7 CFR part 1753, Telecommunications System Construction Policies and Procedures.

OMB Control Number: 0572-0059.

Type of Request: Extension of a previously approved collection.

Abstract: In order to facilitate the programmatic interest of the RE Act, and, in order to assure that loans made or guaranteed by RUS are adequately secured, RUS, as a secured lender, has established certain forms for materials, equipment and construction of electric and telecommunications systems. The use of standard forms, construction contracts, and procurement procedures helps assure RUS that appropriate standards and specifications are maintained, RUS' loan security is not adversely affected; and the loan and loan guarantee funds are used effectively and for the intended purposes.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 1 hour per response.

Respondents: Business and other for-profit and non-profit institutions.

Estimated Number of Respondents: 238.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 3,123 hours.

Copies of this information collection can be obtained from MaryPat Daskal, Program Development and Regulatory Analysis, Rural Utilities Service at (202) 720-7852.

Comments are invited on (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and

assumption used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques on other forms of information technology.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

James M. Andrew,

Administrator, Rural Utilities Service.
