Approval Under OMB Delegated Authority of the Temporary Revision of the Following Information Collection

Report title: Reporting Requirements Associated with Emergency Lending Under Section 13(3).

Agency form number: FR A.

OMB control number: 7100-0373.

Frequency: Event-generated.

Respondents: Entities or persons borrowing under an emergency lending program or facility established pursuant to section 13(3) of the Federal Reserve Act.

Estimated number of respondents: FR A-1: 5,964; FR A-2: 4,123; FR A-3: 13,200.

Estimated average hours per response: FR A-1: 8 hours; FR A-2: 40 hours; FR A-3, Lender per-loan certifications: 2 hours; FR A-3, Borrower certifications: 8 hours.

Estimated annual burden hours: 312,656.

General description of report: The Board's Regulation A (12 CFR part 201) establishes policies and procedures with respect to emergency lending under section 13(3) of the Federal Reserve Act, as required by sections 1101 and 1103 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Regulation A requires that borrowers make two certifications in order to participate in any emergency lending authorized under section 13(3). These certifications, designated in this information collection as FR A-1, include that the borrowers are not insolvent and that they cannot obtain adequate credit accommodation.

In addition to these certifications, the Board may establish additional certification requirements for an individual emergency lending facility. The second part of the FR A information collection, the FR A-2, pertains to reporting requirements associated with individual facilities that are related to requirements of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The third part of FR A, designated as the FR A-3, pertains to reporting requirements specific to the Main Street Expanded Loan Facility, the Main Street New Loan Facility, the Main Street Priority Loan Facility, the Nonprofit Organization Expanded Loan Facility, and the Nonprofit Organization New Loan Facility (collectively, the "Main Street Lending Program").

Legal authorization and confidentiality: The FR A is authorized pursuant to section 13(3) of the Federal Reserve Act, which sets out requirements for emergency lending. The obligation to respond is required to obtain a benefit.

The information collected under the FR A may be kept confidential under exemption 4 of the Freedom of Information Act, which protects commercial or financial information obtained from a person that is privileged or confidential.

Current actions: The Board is revising the FR A information collection to reflect the establishment of the Nonprofit Organization Expanded Loan Facility and Nonprofit Organization New Loan Facility as part of the Main Street Lending Program. Board staff have coordinated with staff from Treasury and the Federal Reserve Banks to develop certifications that borrowers and lenders will be required to complete to participate in the NOELF and NONLF. These certifications are substantially similar to the certifications that have been developed for the other facilities in the Main Street Lending Program. Borrowers and lenders will be required to certify that the participating borrowers, lenders, and loans meet each of the eligibility requirements of the specific facility. Borrowers will also be required to certify that they have provided documentation to lenders related to certain eligibility requirements. The FR A respondent counts for all parts of the information

collection are being revised to reflect these new facilities and updated estimates of the Main Street Lending Program.

Detailed Discussion of Public Comments: On March 2, 2020, the Board published a notice in the **Federal Register** (85 FR 12295) requesting public comment for 60 days on the extension, without revision, of the FR A. One comment was received; it did not address aspects of the information collection as described in 5 CFR 1320.8(d). On May 15, 2020, following the temporary approval of a first set of revisions to the FR A, the Board published a **Federal Register** notice (85 FR 29447) requesting public comment for 60 days on those temporary revisions. On June 4, 2020, following the temporary approval of a second set of revisions to the FR A, the Board published a **Federal Register** notice (85 FR 34448) requesting public comment for 60 days on those temporary revisions. Comments in response to all of those requests for comment are expected to be considered, along with any comments received in response to this request for comment.

General description of report:

Pursuant to the Board's Regulation H, state member banks (SMBs) must adopt and maintain a written real estate lending policy. Additionally, this information collection includes certain voluntary recordkeeping provisions in the Interagency Guidelines for Real Estate Lending Policies (Guidelines).¹

Legal authorization and confidentiality: The FR H–5 is authorized by section 304 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA),² which provides that “each appropriate Federal banking agency shall adopt uniform regulations prescribing standards for extensions of credit that are—(A) secured by liens on interests in real estate; or (B) made for the purpose of financing the construction of a building or other improvements to real estate.”³ The recordkeeping requirement contained in the Board's Regulation H is mandatory. The recordkeeping provisions in the Guidelines are voluntary, as the Guidelines are nonbinding guidance.

Because these records would be maintained at each banking organization, the Freedom of Information Act (“FOIA”) would only be implicated if the Board obtained such records as part of the examination or supervision of a banking organization. In the event the records are obtained by the Board as part of an examination or supervision of a financial institution, this information may be considered confidential pursuant to exemption 8 of the FOIA, which protects information contained in “examination, operating, or condition reports” obtained in the bank supervisory process.⁴ In addition, the information may also be kept confidential under exemption 4 of the FOIA, which protects “commercial or financial information obtained from a person [that is] privileged or confidential.”⁵
